## Safety and Care Advice

**Important-**Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2,3 and 4.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft, level surface to avoid damaging the unit or your floor.
- We do not recommend the use of power drill/drivers for inserting screw, as this could damage the unit. only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

## Care and Maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

If you are unhappy with the product and wish to return it, please following the retailer's returns procedure.
