

The diagram shows two black metal leg components. Dashed yellow arrows indicate they can be moved towards and away from each other. A yellow circular icon with a four-pointed starburst symbol is positioned below the legs.

FOLDABLE LEGS

Streamline the installation process.

The diagram shows two black metal beams intersecting at a right angle. A yellow arrow points down to a small black connector piece at the joint. A yellow circular icon with a crossed wrench and screwdriver symbol is positioned below the joint.

HASSLE-FREE ASSEMBLY

Effortless setup with clear instructions
