

Vanity Chair

Instruction Manual

Please read

1. Do not discard any of the packaging until you are certain that you have all the necessary parts for the assembly.
2. Please ensure that the packaging is disposed of in a safe and environmentally responsible way.
3. During assembly, tighten screws by hand only. Once all screws are in place, you may tighten all screws completely.

Caution

1. Never use this chair as a step ladder.
2. Check that screws have not become loosened every 6months.
Retighten if necessary.
3. Do not allow children to play with or operate the mechanism.
4. Keep hands and feet clear of mechanism.
5. Only the occupant should operate mechanism.

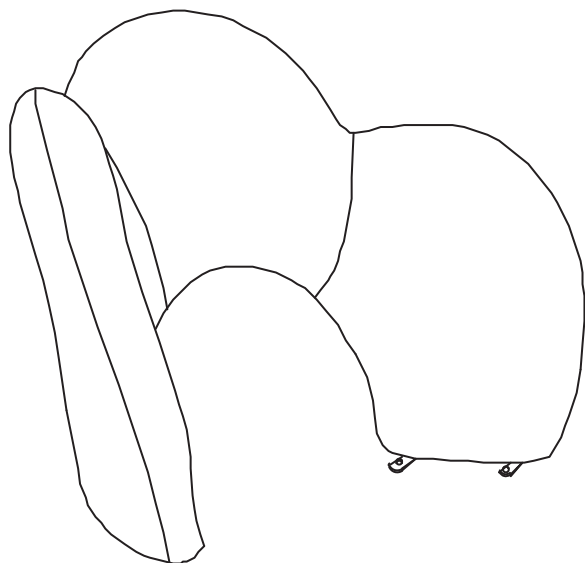

Usage Troubleshoot

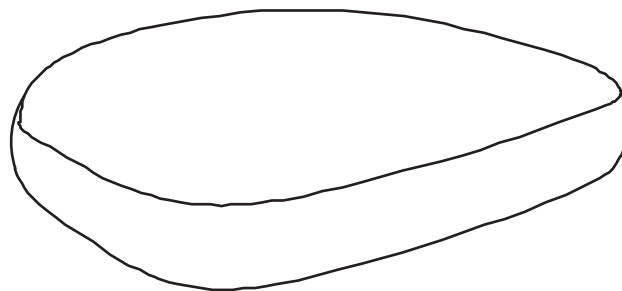

- If the chair feels wobbly or uneven, please first ensure all screws are fully tightened. Then, try adjusting the leveling pads (knobs) under the chair legs, and contact us if the problem cannot be resolved.
- If the fabric of the chair is torn or stained when you receive it, please contact us to get the replacement part or compensation.
- If any chair legs or parts are damaged upon arrival, please contact us for a replacement or assistance.
- If part is missing, please contact us and provide the picture of the missing part, we will replace it.

Accessories List

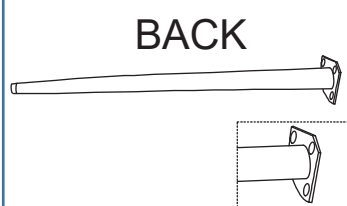

(A) Backrest×1

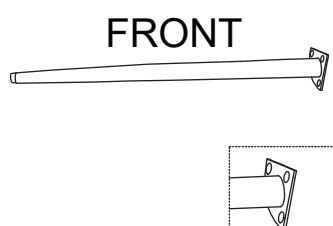

(B) Seat Cushion×1

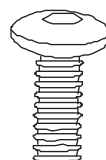

(C)

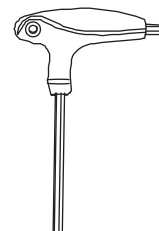

(D)

(E) Screws×16
(M6x20mm)

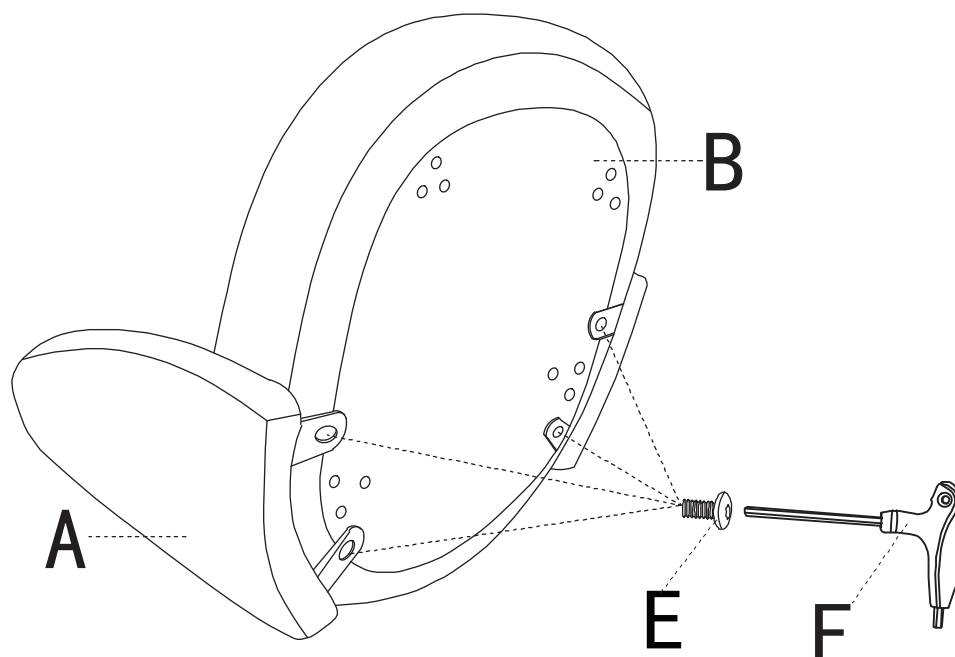

(F) Hexagon
Wrench

Step 1

Use screws to secure the backrest to the seat cushion.

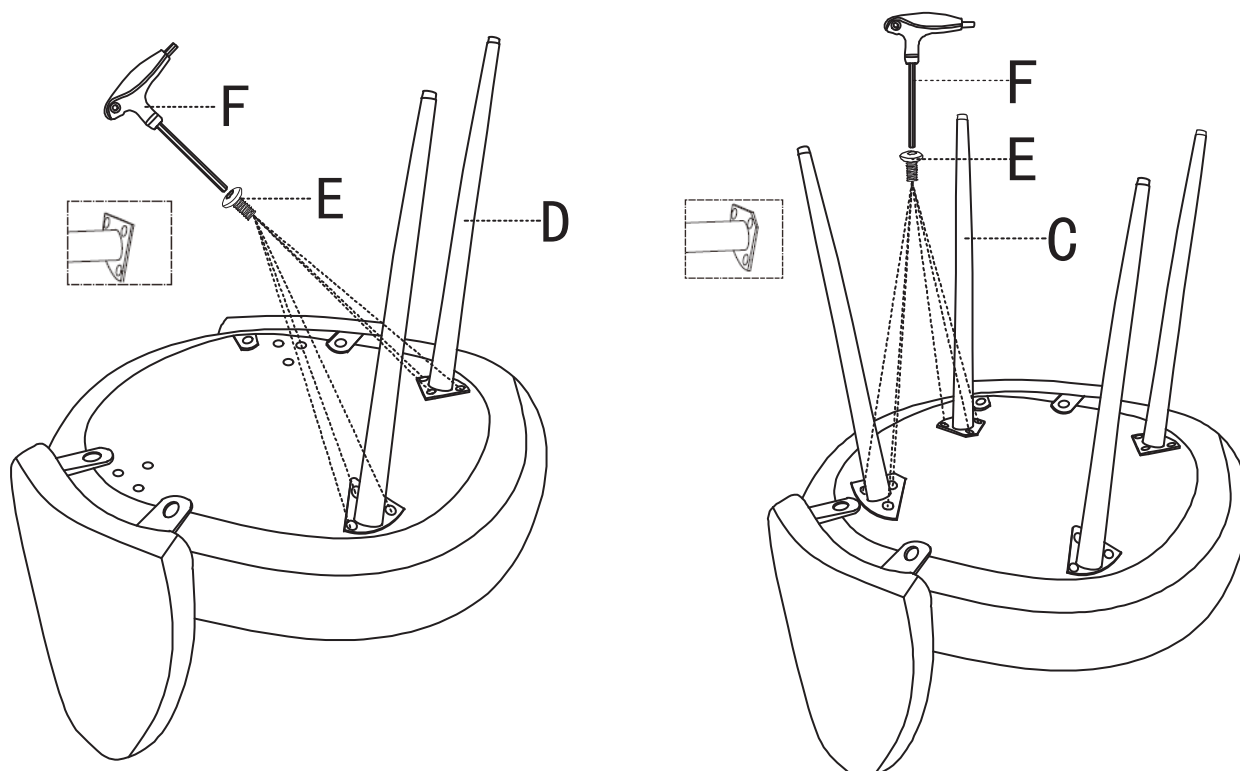

You can first place the seat cushion on the tabletop, and then align the backrest with the screw holes and tighten the screws.

Step 2

Install the chair legs.

Pay attention to distinguishing between the front and back legs.

Step 3

Adjust the knobs under the chair legs until the chair is stable.
