

User Manual: Strongest Door Stopper (Set of 4)

Model: Heavy Duty Zinc and Rubber Door Stop Wedge

Brand: STRONGEST HOME

Material: Zinc with Rubber Grip

Mounting Type: Floor Mount

Product Overview

This door stopper is designed to prevent doors from slamming shut or moving unnecessarily. Made of high-quality zinc and rubber, it provides durability, heavy-duty strength, and a secure grip on various flooring types.

In the Box

1. **4 x Heavy Duty Door Stop Wedges**
 2. **4 x Self-Adhesive Wall Protectors**
-

Product Specifications

- **Material:** Zinc (Body), Rubber (Base)
 - **Colour:** Chrome
 - **Dimensions:** 4.72in (L) x 1.57in (W) x 1.18in (H)
 - **Style:** Wedge, Heavy Duty
-

How to Use the Door Stopper

1. **Placement on Floor:**
 - Place the rubber base of the wedge firmly on the floor near the bottom edge of the door.
 - Slide the door stopper under the door until it wedges securely in place.
2. **Adjust for Door Gap:**
 - If the door gap is small, insert the narrow end of the wedge under the door.
 - For larger gaps, push the wider end under the door for a secure hold.
3. **To Release:**
 - Gently pull the door stopper outwards and away from the door.

4. **Wall Protector Installation:**

- Clean the wall surface where the door handle touches.
 - Remove the adhesive backing and press the wall protector firmly onto the desired spot.
-

Safety Precautions

1. **Proper Placement:**

- Always ensure the door stopper is positioned firmly under the door to prevent slipping.
- Do not place the stopper on uneven, wet, or slippery surfaces.

2. **For Indoor Use Only:**

- The door stopper is designed for indoor use on clean and dry surfaces, such as carpet, tile, wood, or laminate flooring.

3. **Avoid Excess Weight:**

- While heavy-duty, this stopper is not designed to hold extremely heavy or forcefully moving doors (e.g., industrial doors).

4. **Keep Away from Children:**

- Small parts and edges may pose a choking hazard or injury risk. Ensure the product is not used as a toy.

5. **Inspect Before Use:**

- Periodically check the door stopper for signs of wear, cracks, or damage. Replace if necessary.

6. **Surface Safety:**

- The rubber base may leave slight marks on delicate flooring. Test the product in a discreet area before long-term use.

7. **Storage:**

- When not in use, store the door stoppers in a dry and safe location to prevent damage.
-

Care and Maintenance

• **Cleaning:**

- Wipe the door stopper with a damp cloth to remove dust or debris. Avoid using harsh chemicals that may damage the rubber.

• **Rubber Base Maintenance:**

- If the rubber loses grip due to dirt or residue, clean it with mild soap and water, then allow it to dry completely before reuse.

• **Wall Protector Care:**

- Clean the wall protectors gently with a soft cloth to avoid dislodging them.

Troubleshooting

Issue	Solution
Door stopper slips	Ensure the floor surface is clean, dry, and free from debris.
Doesn't fit under door	Use the appropriate wedge side (narrow/wide) to match the door gap.
Leaves marks on floors	Test on a small area; clean floors regularly and inspect rubber base.
