

Power Reclining Loveseat

Assembly Instructions

IMPORTANT SAFETY INFORMATION

Please carefully read the instructions and caution warnings below before assembling the product. Following this guide will ensure that you install, use and maintain the product properly.

- * Please check if all the components and tools listed are received.
- * Please keep this installation and user manual/instructions for future reference in case you need to assemble the product.
- * Do not assemble if you notice serious damage such as cracks or bends.
- * During installation, please use work gloves for hand safety.
- * Please assemble the unit on carpeted floor or the flat cardboard box to avoid scratching the surface or your floor while assembling on the floor.
- * To assemble, please use the complimentary installation tools (Allen Wrench). Pay more attention to the direction of components at each steps.
- * Do not use sharp instruments, rubbing alcohol, corrosive chemicals, or abrasive cleaners to clean the product.
- * Do not keep the product in a damp environment for a long period of time. The damp environment may cause the iron components to rust and the plates to bulge and crack.

Components

List
