Dolled Up 1 calls to mind the nostalgic photography of Helmut Newton, a German-Australian photographer whose provocative and sensual black-and-white images became a defining feature of fashion photography in the 20th century. This photograph is steeped in the elegance and sophistication of the time while its monochromatic tones enhance the dramatic mood and feel of the work. A glamorous woman wearing a string of pearls sits at the center of the image. A masterful blend of light and shadow captures the essence of the moment and transforms this scene into a poignant snapshot of a bygone era.

Rich shades of black and white add an air of mystery to this original work of art on textured paper. Part of the carefully curated and exclusive ART by TA Collection.
