

**Y01**

A		M8*30
		4PCS

**STEP 1**, open the carton, put the seater upside down on the table or sofa.

**STEP 2**, get the metal leg, follow the shape of black fabric surface of the chair, turn the 4 screws through the holes on the metal structure to the chair until the end. (check the picture to know the front side and the back side.)

**STEP 3**, turn the chair back on the floor.
