ASSEMBLY INSTRUCTIONS
INSTRUCTIONS DE MONTAGE

⚠ SAFETY TIPS

Static charge may cause dust on foam-clean with a dry or damp cloth.

Small foam strands may be present-handle gently and dispose of properly.

Do not burn or incinerate. Check local recycling guideline.

⚠ CONSEILS DE SÉCURITÉ

L'électricité statique peut attirer la poussière sur la mousse - nettoyer avec un chiffon sec ou humide.

De petits morceaux de mousse peuvent être présents - manipuler avec précaution et jeter correctement.

Ne pas brûler ni incinérer. Vérifier les directives de recyclage locales.

Please contact with our customer service.

Vous avez une question sur le montage ou besoin d'une pièce de rechange ?
Veuillez contacter notre service client.

Warnings

Important reminder:

Please sort and check all accessories before assembly.
Place the product on an empty cardboard box or on carpet to prevent scratches.

⚠ Please use proper tools for assembly.Using an electric screwdriver can accelerate the assemoly speed, but please do not overtighten the screws.

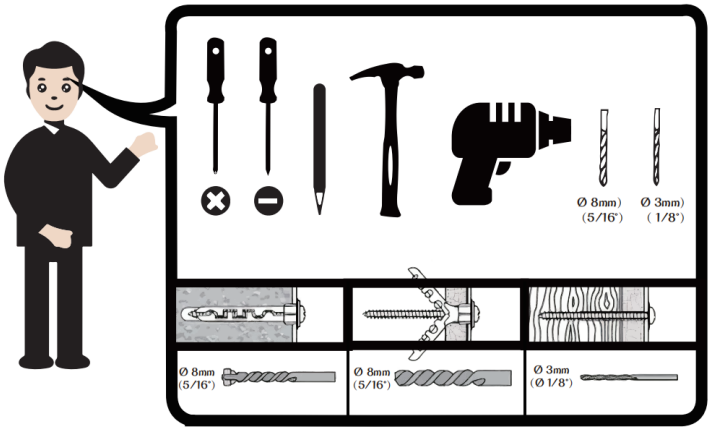

⚠ Please follow the assembly steps and do not skip any of them.

⚠ If possible, please find a partner to help you with assembly, which can accelerate assembly.

⚠ Keep all small parts of this product away from children. They may cause serious injury.

⚠ We hope you can retighten the screws 2 weeks after assembly, and check the tightening procedure of the screws every 3 months.

If you meet any difficulty, our friendly customer team are always ready to help you.

WARNING — Tip-Over / Crush Hazard

Furniture can tip over and cause serious crushing injuries. If an anti-tip kit is provided, install it after assembly and use it as instructed. Do not modify the structure of this product. Use only as intended and ensure all fasteners are fully tightened. The manufacturer is not responsible for damage or injury caused by unauthorized modifications or improper assembly.

Peel off film before use

Avertissements

Rappel important :

Veuillez trier et vérifier tous les accessoires avant le montage.
Placez le produit sur un carton vide ou sur une moquette pour éviter les rayures.

⚠ Veuillez utiliser les outils appropriés pour le montage. L'utilisation d'une visseuse électrique peut accélérer le montage, mais veuillez ne pas trop serrer les vis.

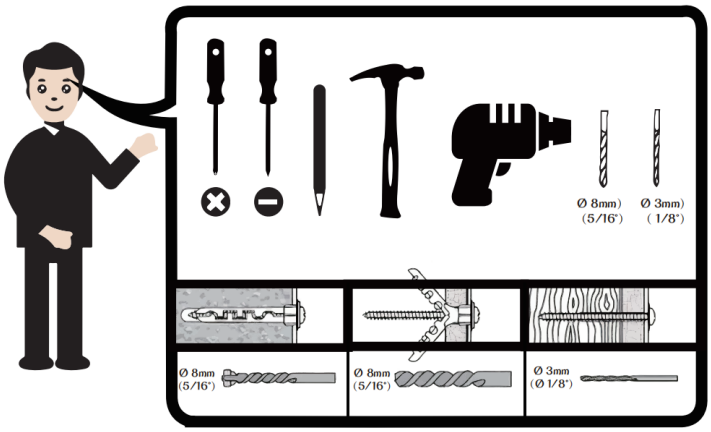

⚠ Veuillez suivre les étapes de montage et ne pas en sauter aucune.

⚠ Si possible, veuillez trouver un partenaire pour vous aider lors du montage, ce qui peut accélérer le processus.

⚠ Gardez toutes les petites pièces de ce produit hors de portée des enfants. Elles pourraient causer des blessures graves.

⚠ Nous vous recommandons de revisser les vis 2 semaines après le montage, et de vérifier le serrage des vis tous les 3 mois.

Si vous rencontrez des difficultés, notre aimable équipe du service client est toujours prête à vous aider.

AVERTISSEMENT — Risque de basculement / d'écrasement

Les meubles peuvent basculer et causer des blessures graves par écrasement. Si un kit antirupture est fourni, installez-le après le montage et utilisez-le comme indiqué. Ne modifiez pas la structure de ce produit. Utilisez-le uniquement comme prévu et assurez-vous que toutes les fixations sont complètement serrées. Le fabricant n'est pas responsable des dommages ou blessures causés par des modifications non autorisées ou un montage inapproprié.

Retirer le film avant utilisation.

WARNING

Foam packaging materials are not toys and may present a choking hazard. Keep all foam packaging materials away from babies and children. Do not allow children to play with the packaging. If the packaging is torn, damaged, or any foam pieces become loose, remove and discard the material immediately.

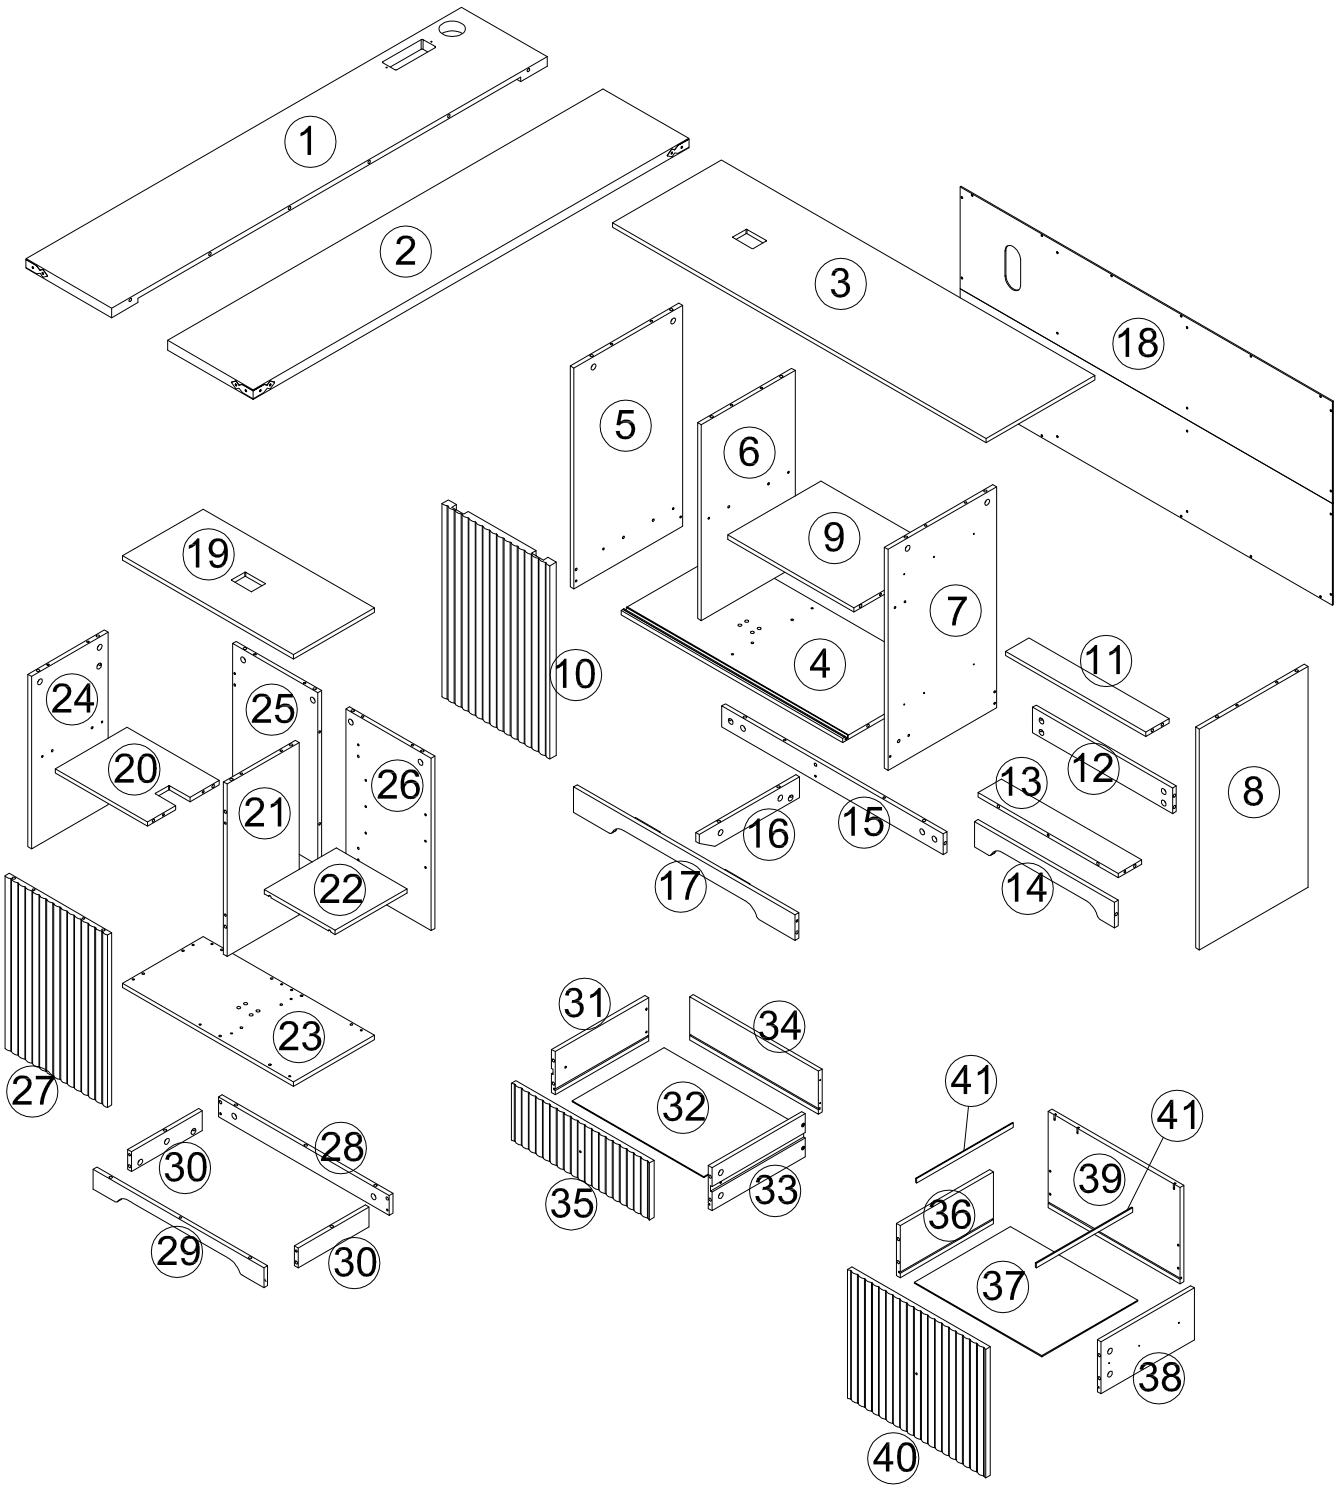

To the maximum extent permitted by applicable law, the manufacturer and seller are not liable for injury, damage, or loss arising from improper installation, misuse, abuse, inadequate maintenance, unauthorized modification, or failure to follow the product instructions and warnings. This limitation does not exclude liability that cannot be excluded under applicable law.

AVERTISSEMENT

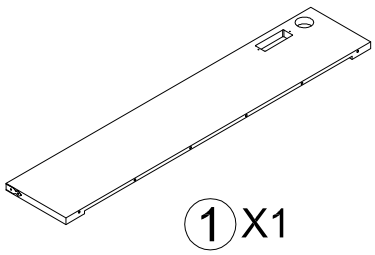

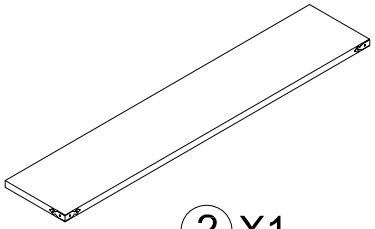

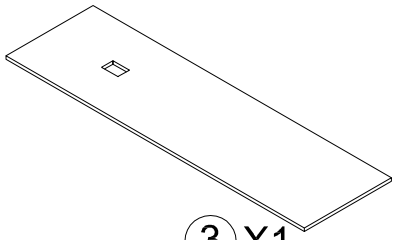

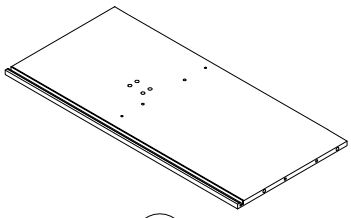

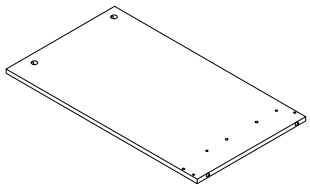

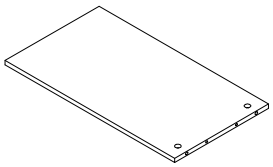

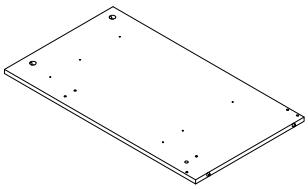

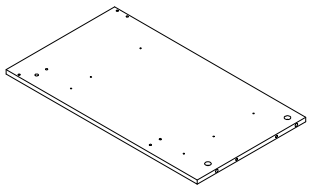

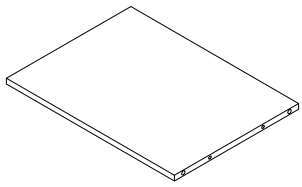

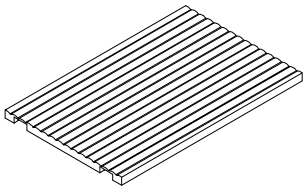

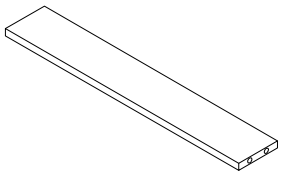

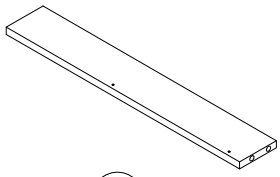

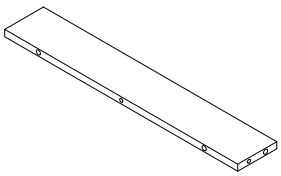

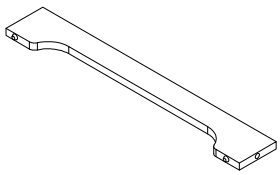

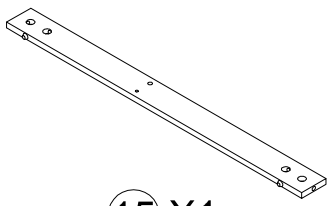

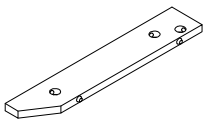

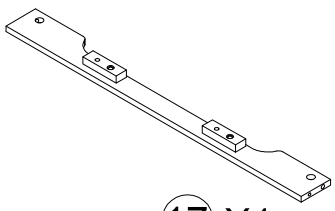

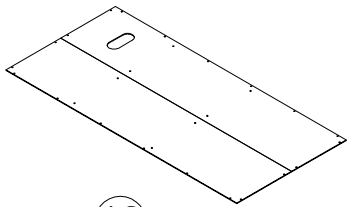

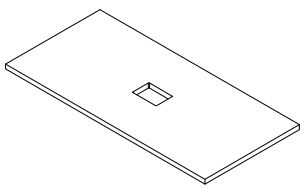

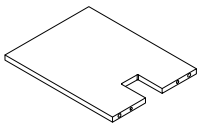

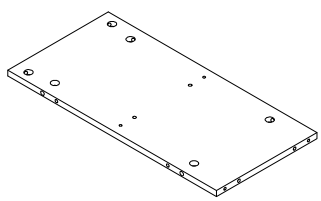

Les matériaux d'emballage en mousse ne sont pas des jouets et peuvent présenter un risque d'étouffement. Gardez tous les matériaux d'emballage en mousse hors de portée des bébés et des enfants. Ne laissez pas les enfants jouer avec l'emballage. Si l'emballage est déchiré, endommagé, ou si des morceaux de mousse se détachent, retirez immédiatement ce matériau et jetez-le.

Dans toute la mesure permise par la loi applicable, le fabricant et le vendeur déclinent toute responsabilité en cas de blessure, dommage ou perte résultant d'une installation incorrecte, d'une mauvaise utilisation, d'un usage abusif, d'un entretien insuffisant, d'une modification non autorisée, ou du non-respect des instructions et avertissements du produit. Cette limitation n'exclut pas la responsabilité qui ne peut être exclue en vertu de la loi applicable.

Note: The direction in which the motor is installed in this step determines whether the auxiliary cabinet faces inward or outward. Please choose the installation method basedon the following instructions.

Remarque : Le sens de montage du moteur à cette étape déterminera si l'armoire auxiliaire est orientée vers l'intérieur ou vers l'extérieur. Veuillez choisir la méthode d'installation conformément aux instructions suivantes

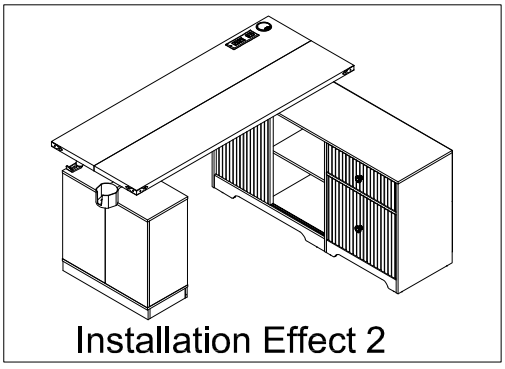

Moteur orienté vers le bas.
Motor facing downward.

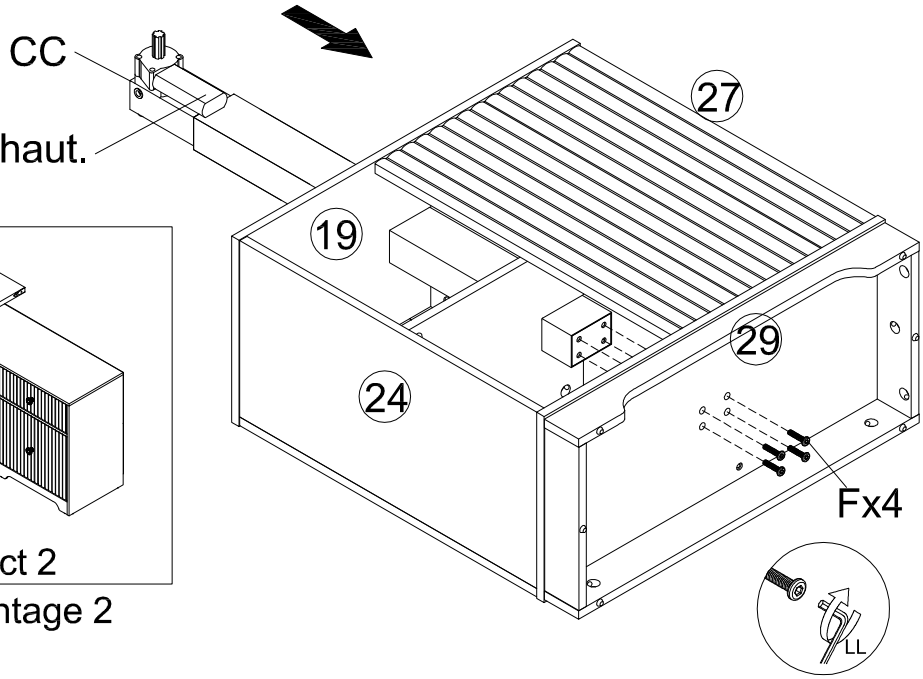

Installation Effect 1

Step/Étape
29

							
I	4PCS	OO	4PCS	BB	1PC	KK	1PC

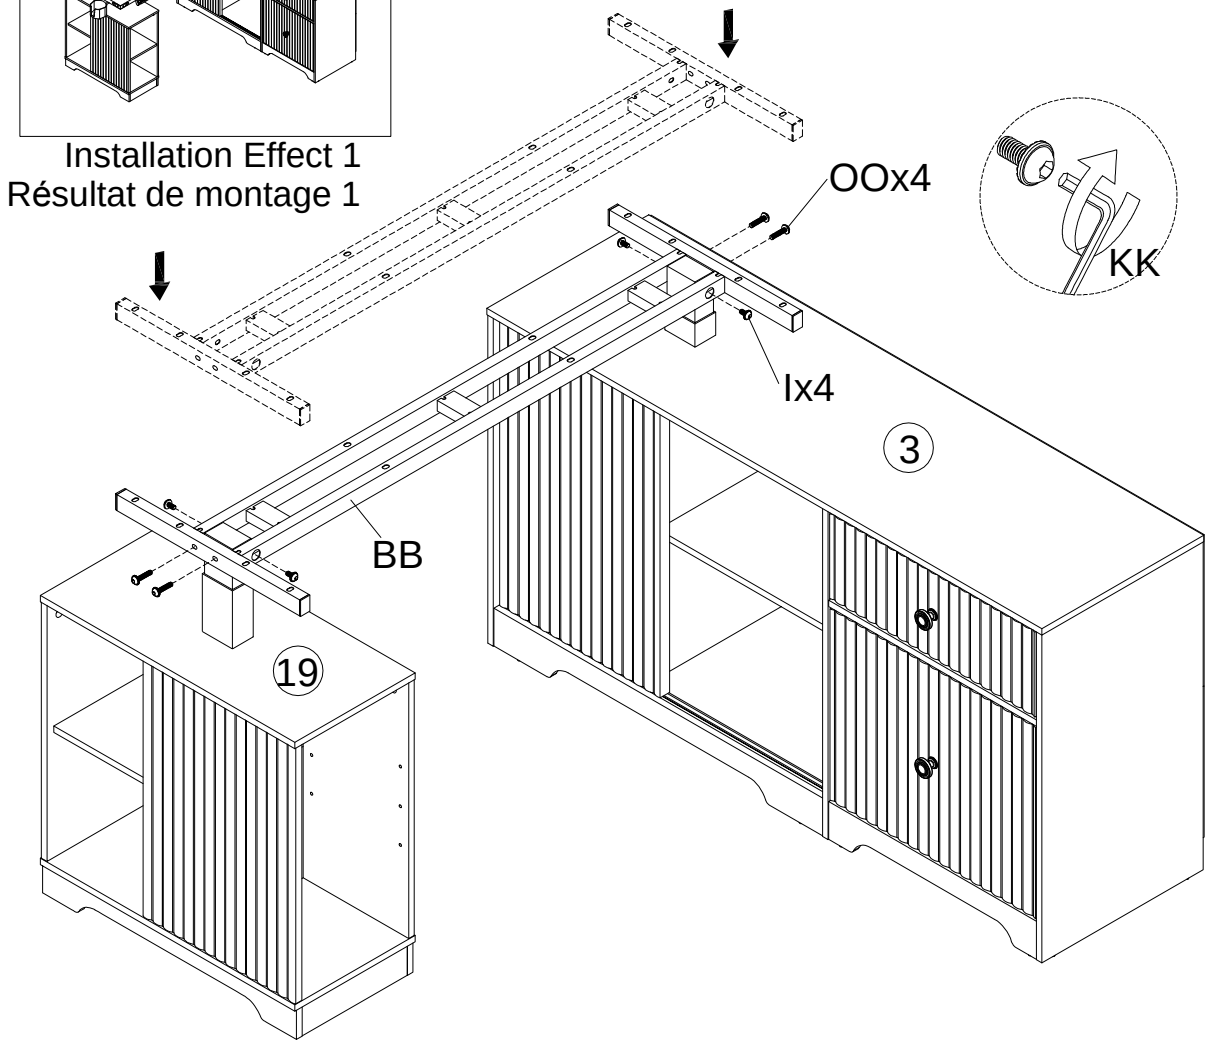

First, Move the cabinet to the appropriate position and fit it into the ironframe. The first installation method for the auxiliary cabinet is as follows:install it outward.

Tout d'abord, déplacez l'armoire à l'emplacement approprié et installez-la sur la structure métallique. La méthode de première installation de l'armoire auxiliaire est la suivante : montage vers l'extérieur.

During installation,screws should be tightened in two steps: first to 75% to ensure all holes are aligned, and then fully tightened to 100%.	Pendant l'installation, serrez les vis en deux étapes : serrez d'abord à 75 % pour garantir l'alignement de tous les trous de fixation, puis serrez complètement à 100 %.

Wrap the excess power cord together and secure it with a cable tie;leave an appropriate length of the cord to prevent it from being scraped by the drive shaft. This avoids the risk of electrical fires or short circuits.

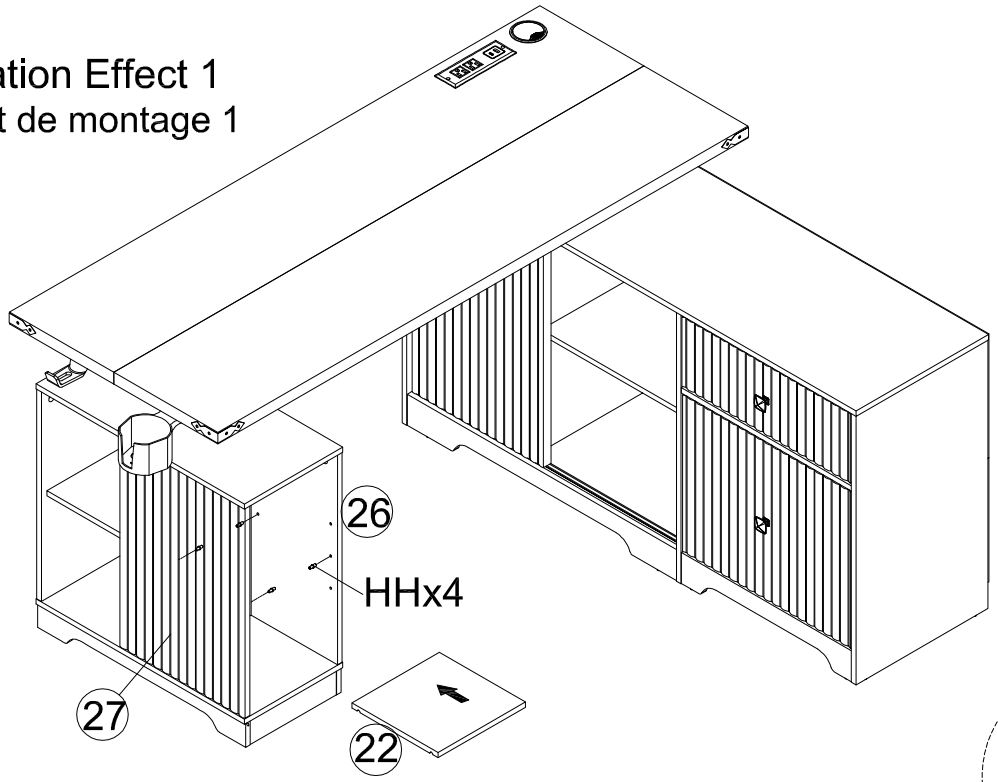

Regroupez les fils d'alimentation excédentaires et fixez-les avec des colliers de serrage ; laissez une longueur de fil suffisante pour éviter qu'ils ne soient endommagés par l'arbre d'entraînement. Cette mesure permet d'éfficacement prévenir les risques d'incendie électrique ou d'électrocution.
