This diagram illustrates the assembly of a wooden cabinet. The main structure consists of a base (12) and a back panel (13). A central shelf (10) is being positioned within the frame. The shelf is supported by two vertical dividers (7) and is secured by two horizontal brackets (5) on the right side. The back panel is attached to the base using corner brackets (2) and is reinforced with a horizontal support bar (6). The entire assembly is held together by screws (W4). The diagram shows the components in an exploded view, indicating the sequence of assembly.

Technical drawing of a kitchen cabinet assembly showing the installation of a pull-out unit. The drawing includes numbered callouts 1 through 7 and 12, and labels 'KRD' and 'WKL'. It illustrates the internal structure and the placement of the pull-out unit within the cabinet frame.
