Installation

1.Tear open the outer box and don't use sharp blades or scissors as they may hurt the inside cover.

2.There are 2 cushion foams compressed and 2 covers inside. If any accessories are missed, please feel free to contact with us.

3.Carefully tear open the compression packaging to prevent the foam sleeve inside from breaking.

4.Install both cushion foams into the covers and zip them up.

5.Attach seat and back cushions together.

6.Adjust the length of straps if needed and snap together around the furniture frame.
