

Features:

Adjustable Handle: Ergonomic handle, flexible and comfortable. Two-stage height adjustment for personal preference. It provides back-friendly sweeping thanks to individual handle height adjustment.

Large Container Capacity: The 4 gallon waste container of the push sweeper means you can get on with sweeping instead of wasting time moving waste from place to place.

Easy to Storage: With its fold-down push handle, the push sweeper can be stored upright, thus taking up very little space.

Perfect Choose: Perfect for cleaning garages, driveways, sidewalks and storage areas. Clear your garden paths, patios and driveways up to five times faster with this sweeper.
