Notes

Measure your actual product for roughing-in details.

Install this product in accordance with the installation instructions.

This bath is designed for freestanding installation only.

NOTICE: Do not support the load weight of the bath by the rim.

NOTICE: Confirm adequate support for rim-mount faucet. Using faucets as a means of support are not appropriate or safe for this installation.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.
