

Bed with Drawer

Estimated time for assembly:

100 mins

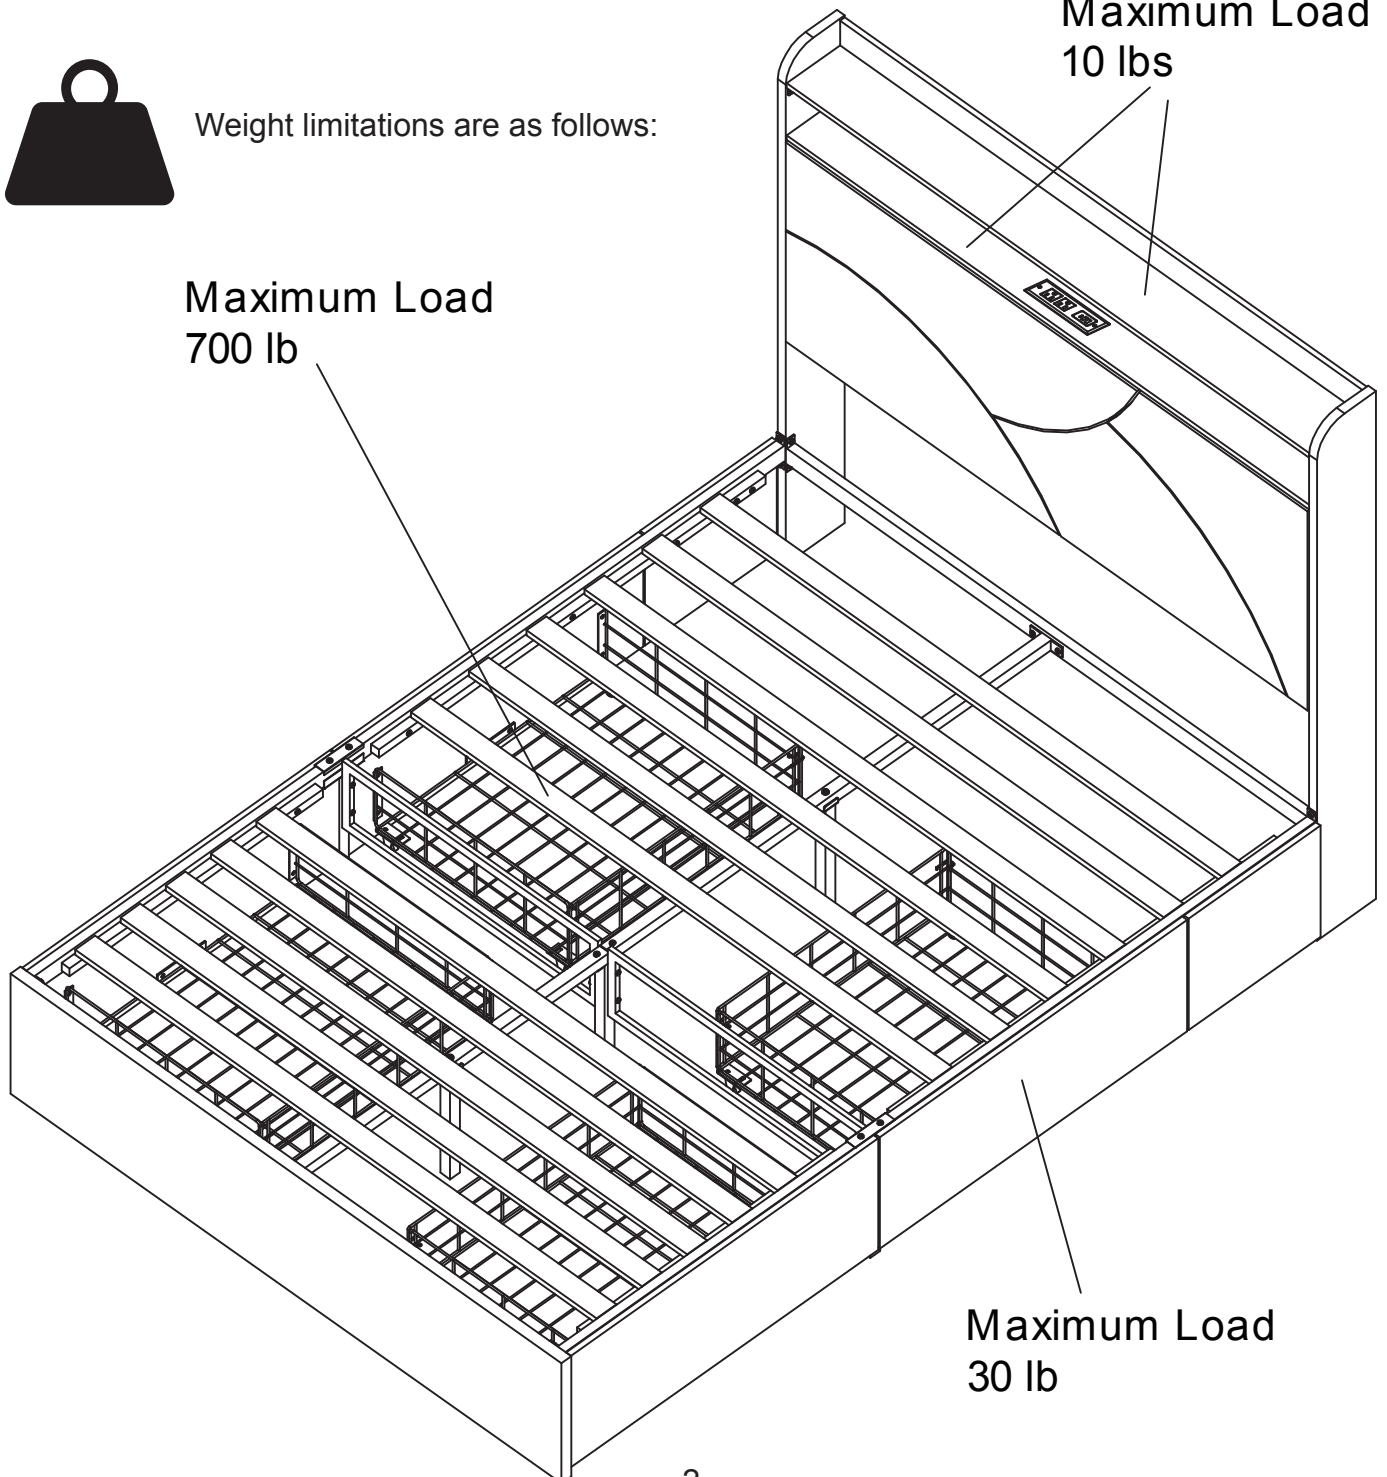

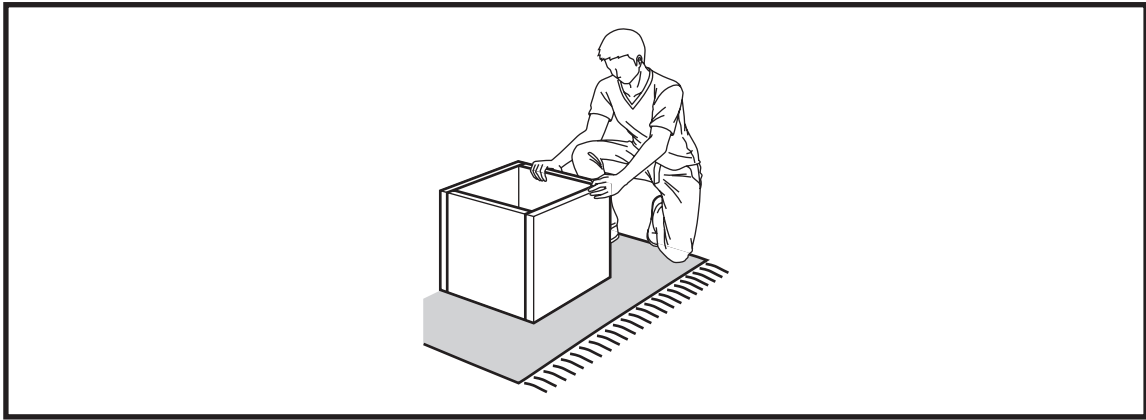

Weight limitations are as follows:

Maximum Load
700 lb

Maximum Load
10 lbs

Maximum Load
30 lb

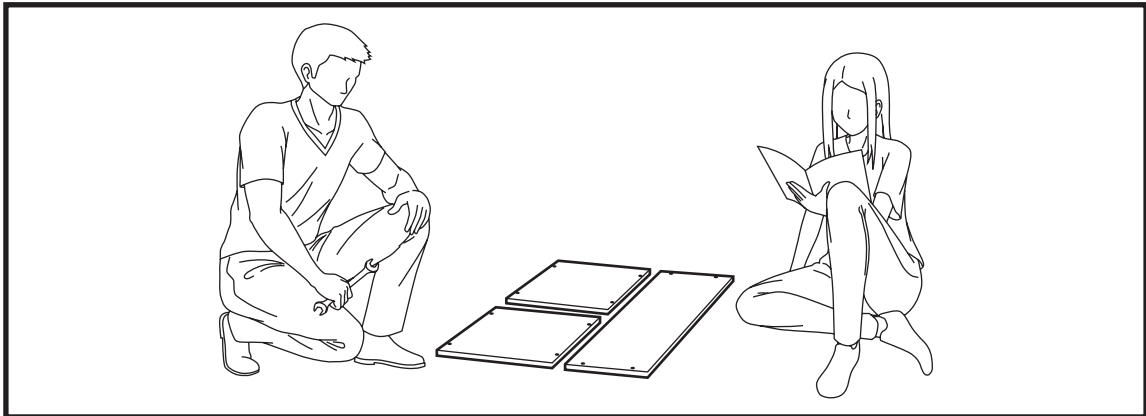

Assemble the furniture on an empty carton, carpet, or rug to prevent scratches or damage.

For safety, please keep pets and children away from the assembly area.

Ensure the product is fully assembled before use. If you are missing any hardware or products, do not use it until you have restored the missing parts.

This furniture requires 2 people for assembly.

Read this instruction manual prior to assembly to familiarize yourself with the various steps.

Lay out all components and hardware separately on a flat surface and make sure that no parts are missing or damaged before assembly. Do not destroy or discard any packaging until you are certain that you have all the necessary parts for assembly.

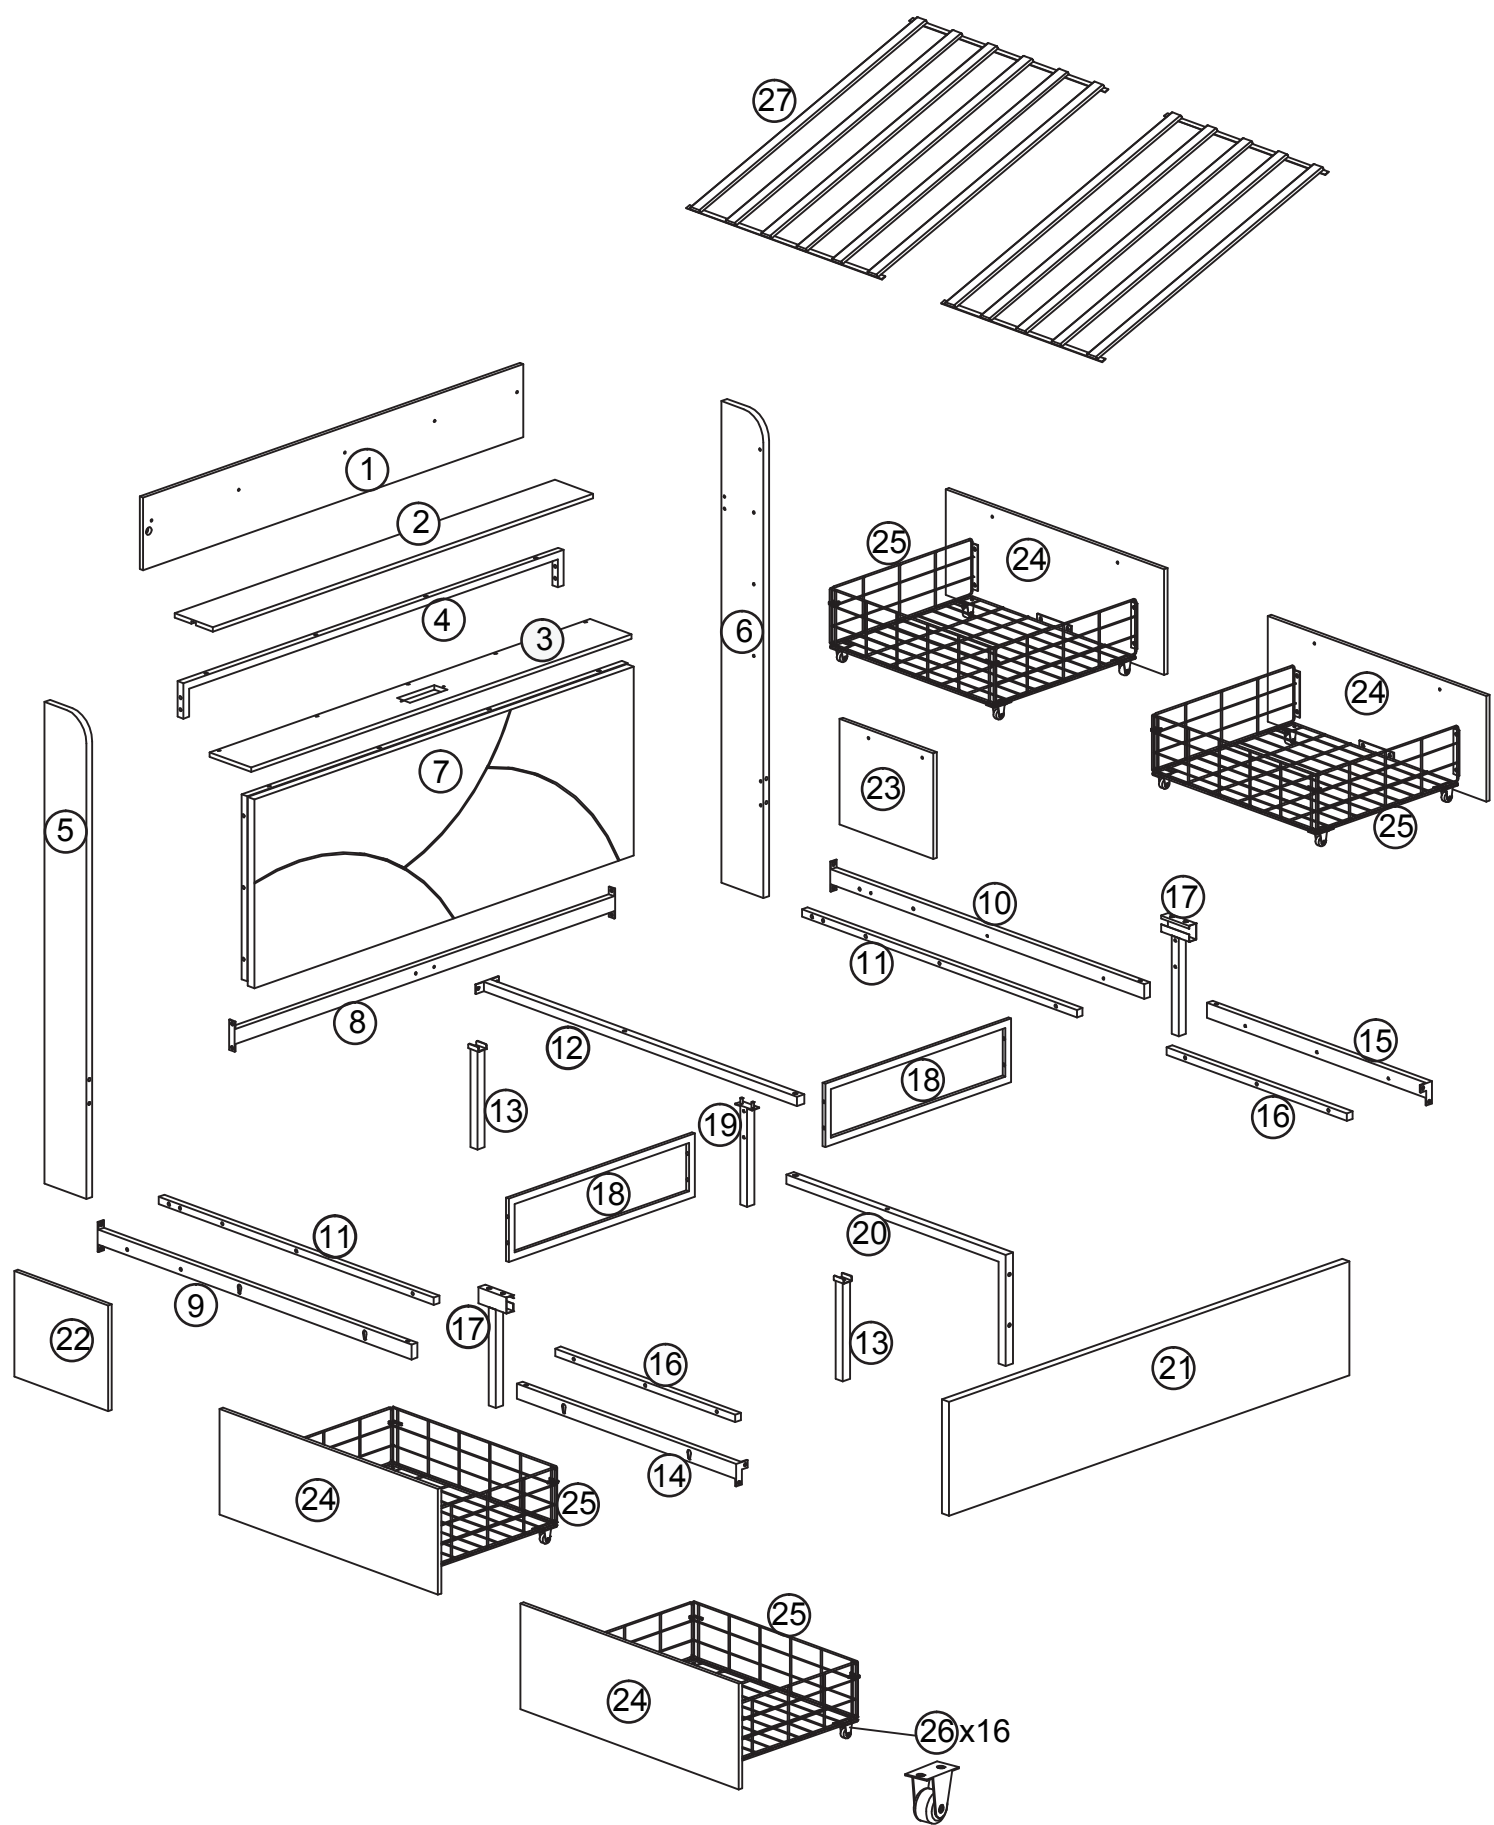

Hand tight all hardware and careful not to over tighten to avoid damaging the product.

CAUTION

There are small components used in the construction of this product. Loose items should be kept away from pets and children to avoid a choking hazard.

Keep all plastic bags and packaging film away from pets and children to avoid suffocation.
