

HOW TO CONTRACT YOUR DINING TABLE (EXPANDED SHORT TO LONG)

Follow these steps to safely and efficiently retract your extended dining table back into compact shape.

◀STEP 1:Unlock the Tabletop

Release all security latches located beneath the tabletop. The two main tabletop halves are now loose and can be moved freely.

STEP 2:Fold the Upper Leaf ▶

Locate the inner Panel#4 (the first leaf visible after separating the table, positioned above the metal hook). Fold this panel in half toward the opposite side.
