

Technical drawing of a semi-circular window. The overall width is 36" and the overall height is 26". The window features a semi-circular arch with a radius of R18". The arch is composed of multiple horizontal slats. The base of the window is 32" wide and 2" high. The side walls are 2" thick. The drawing includes dashed lines for dimensions and a diagonal line indicating the radius R18".

Technical drawing of a vertical rectangular object. The width is labeled as $1\frac{1}{2}$ " at the top. The height is labeled as 26" on the right side. The depth or thickness is labeled as 2" at the bottom left. The object is shown in a perspective view with dashed lines indicating the hidden edges.

A line drawing of a semi-circular window with horizontal blinds. The window is shown from a perspective view, with the blinds partially open. The frame is simple and rectangular, fitting the semi-circular shape of the opening.
