

Decor 2.4 CuFt Glass Door Beverage Cooler

GENERAL INFO

Decor 2.4 Glass Door Beverage Cooler

Colors Available	Black gloss	White	Cream
Model Name	CBCG2.4BK	CBCG2.4W	CBCG2.4CR
Materials	Galvanized steel, ABS plastic, HIPS plastic, Acrylic Glass		
Technology	R600a Refrigerant (Isobutane)		0.71 oz
Country of Origin	Manufactured in China		

POWER

Input voltage	AC: 110-120V/60Hz	1.3A
Estimated yearly energy	157 kWh/yr	
DOE energy use	0.43 kWh/day*	
Cools down to:	39-72° F or 4-22° C	
Approval:	ETL, DOE	

*data from manufacturer catalog is modified by 0.55 DOE cooler standard

DIMENSIONS

Height x Width x Depth

Outside dimensions	26.7 x 17.3x 18.7 in or 680 x 440 x 475 mm
Carton dimensions	30.1 x 22 x 23 in or 765 x 560 x585 mm
Volume	2.4 Cubic Feet / 68L
Product Weight	23 Kg / 50.7 lbs
Carton Weight	26.5 Kg / 58.4 lbs
Capacity in cans	Up to 80 cans (12oz)

FEATURES

- Robust, premium build quality with a one-piece metal cabinet
- Interior LED with digital control panel
- 3 wire shelves for customizable storage arrangement
- Enhanced insulation with double-pane glass door and low-E technology, reducing heat transfer and improving efficiency.
- Whisper-Quiet 39dB Operation – Keep it cool without the noise.
- Stable humidity control & auto defrost
- Freestanding with adjustable feet
- Semi-reversible door, opens 180°

- Limited Edition Design
- Anti-Bacterial
- Stable Humidity
- Stable Temperature
- One Piece Metal Cabinet
- Double Coating for UV Protection
- Odourless
- Quiet Operation
- Anti-Vibration
- 180° Door Hinge
