

Nightstand

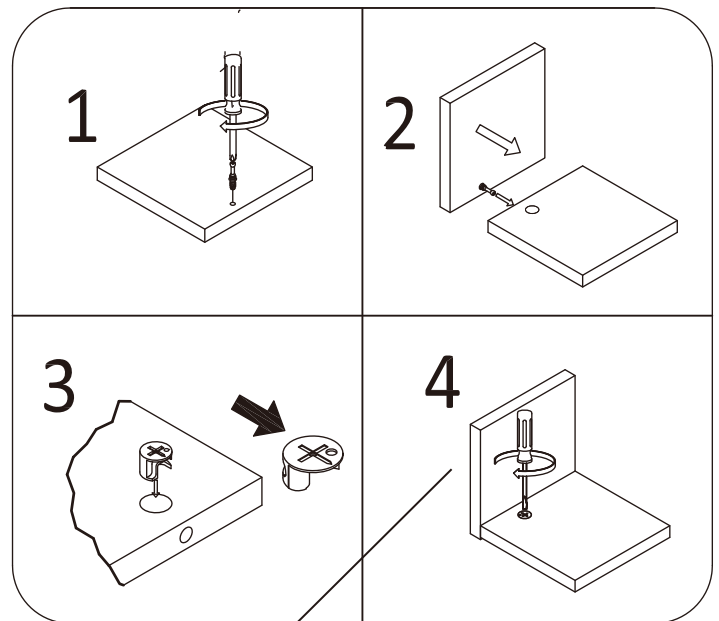

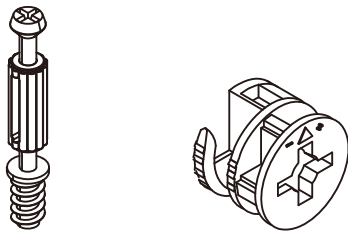

Thank you for choosing our products, please assemble and use it following the instructions. If you have any questions, please contact us

Important

1. We recommend two people to assemble the product easier and faster.
2. Please DO NOT tighten the screws too deeply during assembling avoiding that metal frame can be bent and plank will crack.
3. We recommend that all screws should not be tightened over during assembling to make it easy to adjust. When it is adjusted to proper station, all screws should be tightened.
4. If there are any smudges such as oil stains or fingerprints during installation or use, please clean the surface gently with a soft cloth dampened with alcohol or clean water.

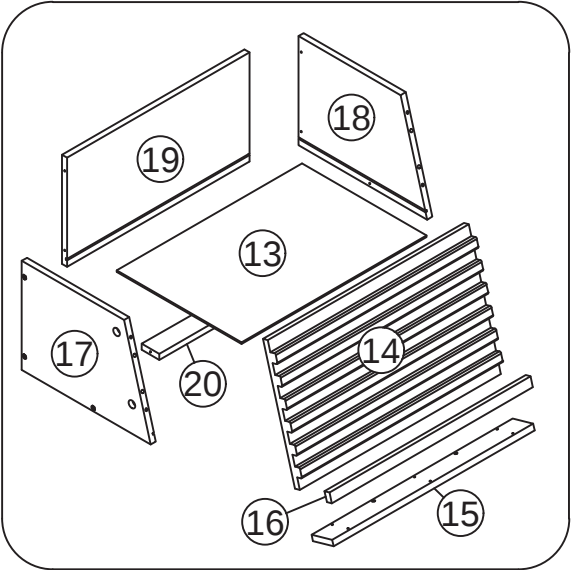

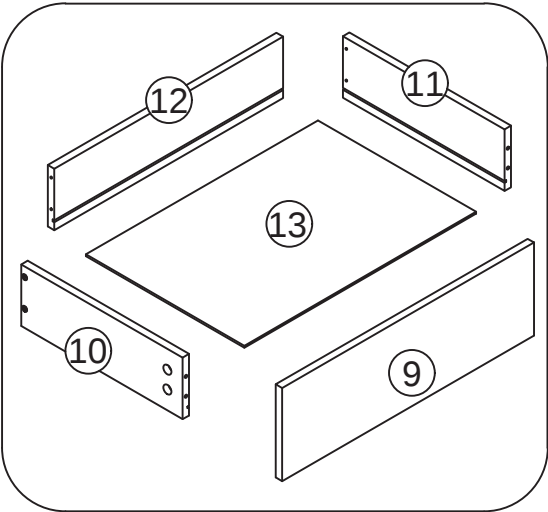

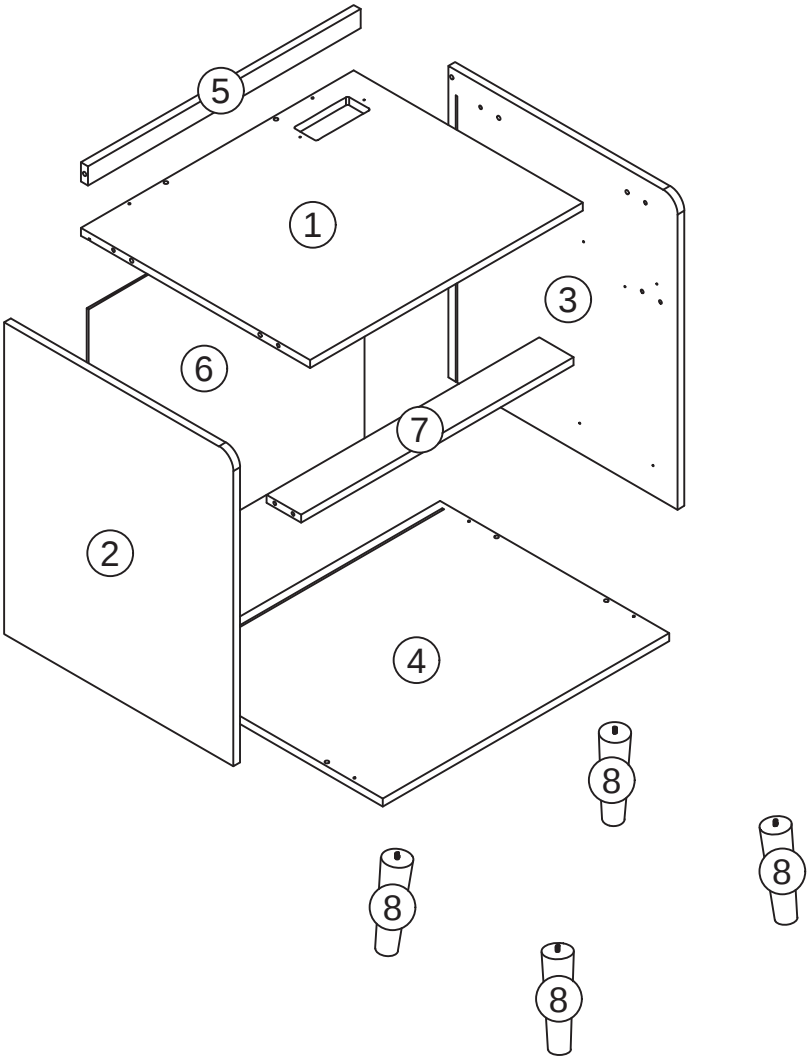

Cam Lock Fastening System

This Cam Lock Fastening System will be used throughout the assembly process

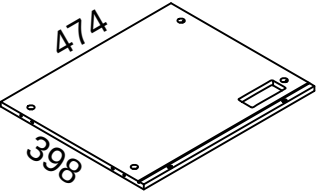

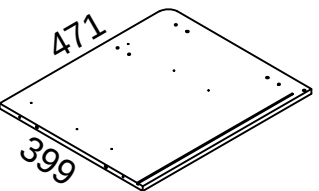

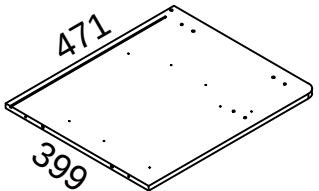

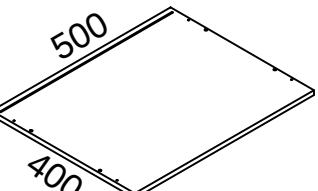

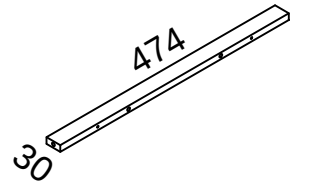

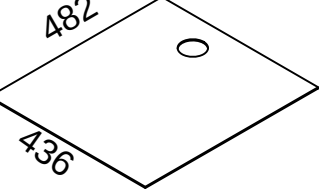

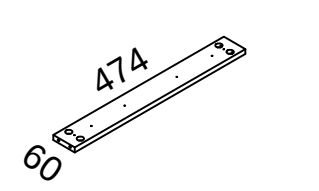

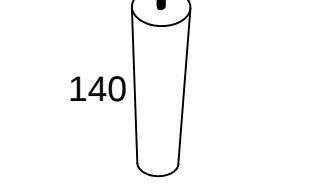

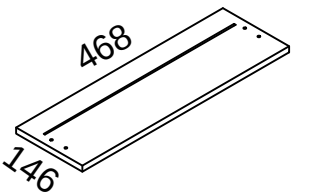

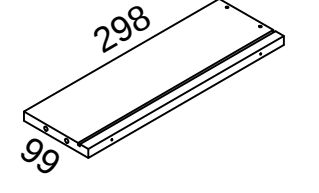

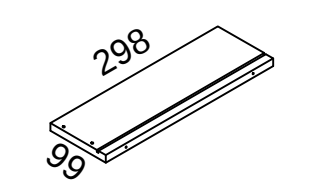

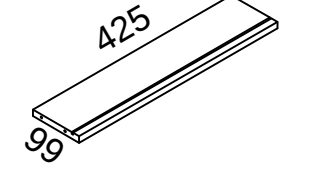

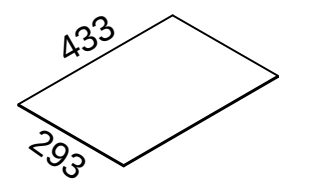

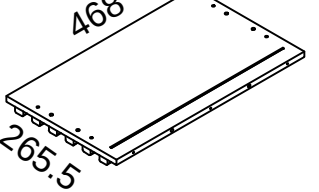

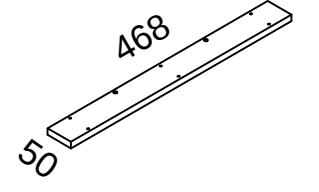

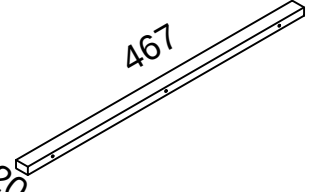

Please note:
It needs to be tightened, which is essential for the stability.

INSTALLATION INSTRUCTIONS

CAUTION: To prevent the risk of fire and electric shock, please be sure to read all instructions before installing or using this unit.

WARNING: To reduce the risk of fire, electric shock, or injury to persons:

1. Use the unit for indoor only.
2. Do not use extension cord(s) to connect the unit.
3. Do not use receptacle for connecting devices over 12A.
4. Do not try to open the unit for any reason.

CAUTION: Modifications which are not approved by the party responsible for compliance could void user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio/TV technician for help.

GENERAL GUIDELINES

- Please read the following instructions carefully and use the product accordingly.
- Please keep this instruction and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps.
- Please contact us when further information and help are needed.

NOTES

- The product is intended for normal use only. The seller does not assume any responsibility or liability with respect to any damage caused by incorrect assembly or improper use.
- Keep away from exposure and heat sources. Place it in a dry area to avoid peeling or fading.
- Please check if there is any welding spatter or debris when you receive the product. If there are defective or missing parts after unpacking, please contact us immediately. Use soft cloth and neutral detergent to wipe it clean, then wipe dry. Do not use an abrasive agent to wipe the product.

WARNINGS

- During assembly, keep small parts out of the reach of children. It may be fatal if swallowed or inhaled.
- To avoid potential danger of suffocation, keep all parts and packaging (films, plastic bags and foam, etc.) away from babies and children.
- Keep away from sharp or corrosive items to avoid potential product damage or bodily injury.

INTRODUCTION

- Lisez attentivement ces notes et utilisez votre produit conformément au présent mode d'emploi.
- Obéissez à ces instructions. Si vous voulez mettre ce produit à la disposition de tiers, veuillez joindre ce mode d'emploi.
- Par souci de clarté, les détails concernant chaque variante ou montage envisageable ne peuvent être tous décrits.
- Si vous avez besoin de plus d'informations ou si vous rencontrez certains problèmes non traités de manière détaillée dans ces instructions, veuillez nous contacter.

NOTES

- Le produit doit être installé et utilisé conformément à ce mode d'emploi. Les utilisations qui ne correspondent pas à la description ci-dessus ou les modifications de l'article ne sont pas autorisées. Le vendeur n'est responsable d'aucun dommage résultant de l'installation incorrecte ou de l'utilisation non conforme.
- Veuillez vérifier attentivement avant l'installation pour vous assurer qu'il n'y a pas de résidus de soudure ou de débris.
- Il est interdit d'utiliser des produits endommagés ou perdus, sinon, il y aura un risque de blessure.
- Lors de l'installation, veuillez positionner et ajuster correctement toutes les vis et les écrous, ensuite serrez progressivement l'ensemble des vis.
- Il est recommandé d'examiner périodiquement les vis qui pourraient se relâcher progressivement pendant l'utilisation, ce qui risque de provoquer des dommages causés par un renversement du produit. Veillez donc à vous assurer que les vis sont bien serrées.
- Pour l'entretien quotidien, utilisez un chiffon doux et sec. Si nécessaire, vous pouvez utiliser un produit détergent à pH neutre. Ne jamais essuyer la surface avec un chiffon mouillé ou un matériau dur.

AVERTISSEMENTS

- Il est interdit aux enfants de participer à l'assemblage du produit car il comprend de nombreuses petites pièces et l'aspiration ou l'ingestion de ces pièces présente un risque mortel.
- Pour éviter le danger inattendu (par exemple, asphyxie), éloignez les enfants de tous.
- les composants et emballages (films, sac en plastique, polystyrènes, etc.) . Eloignez les objets aigus ou corrosifs du produit afin d'éviter les dommages possibles.
