

Cat Litter Box

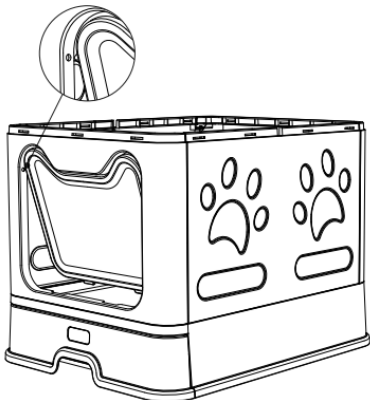

Sectional buckle downward installation

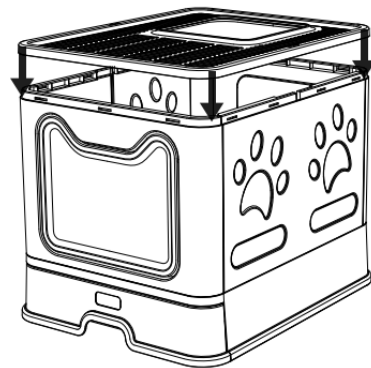

1. Open the top cover and take out the main body inside.

2. Unfold the main body and insert the segmented buckles of the main body down into the card slot of the base.

Note: the entrance door and the base drawer are on the same facade.

3. Install transparent curtain inside.
(No need to install if you don't want to use the door)
4. Insert the left and right buckles into the holes of the door frame.

5. Install the top cover and make sure the exit is back side.

6. Make the top cover aligned with the main body and press it to fix them together.
