

INSTRUCTION MANUAL

NOTICE! Please retain these instructions for future reference.

- This product is intended for outdoor use and should be assembled outdoors only.
- This item is not intended for permanent installation or use.
- Unplug item when not in use or if left unattended.
- Ensure that your voltage is consistent with specifications
- If any parts are missing, broken, damaged, or worn, stop using this product until repairs are made and/or factory replacement parts are installed.
- Do not use this item in a way inconsistent with the manufacturer's instructions as this could void the product warranty.

WARNINGS!

- Do not plug into a wall outlet until item is fully assembled and lights are properly connected.
- Do not use in extreme weather conditions.
- This product contains glitter, do not assemble indoors to avoid unintended property damage and cleanup.
- Do not allow glitter to contact your eyes or face as this may result in skin irritation or injury.
- Keep item away from all heat sources (fireplace, stove, heater, etc.).
- Please use the provided stakes to properly secure the reindeer.
- Do not secure wiring with staples, nails, or sharp hooks.
- Do not hang ornaments or other objects from the cord.
- Unplug item before removing or changing bulbs.
- Replace burned-out bulbs immediately. Make sure to purchase bulbs of the same rated voltage and wattage.
