WARRANTY

We strive to offer high-quality products and we also try our best to satisfy each customer that orders from us. We provide 1 year warranty starting from the time you receive the item.

Problems you may encounter:

Q: I have only received part of these packages, will I receive any others? Are they still on their way?
A: Please don't worry, as your order is shipped in multiple packages and each package is shipped from different warehouses according to your address, it is normal that you don't receive all packages at the same time. You can contact us to get the tracking numbers of other packages to check the logistics information.
Q: I received all packages but found that a component is missing/broken, can you send me a replacement?
A: Please contact us with clear photos and we will send you the same component.
Q: I used the tracking numbers to check the logistics information, but it has not been updated for a long time, how can I check the latest logistics information?
A: We will contact the courier company to find out the situation and even resend it for you.

.....

No matter what problems you encounter, please feel free to **using the way we listed above** to contact us directly, we will provide you with reasonable solutions.
