IMPORTANT NOTES

- . Place all wooden parts on clean and smooth surface such as rug or carpet to prevent the parts from being scratched.
- . Check to be sure that you have all parts and hardware.
- . Remove all wrapping materials, including staples and packing straps before you start to assemble.
- . Do not tighten all screws and bolts until completely assembled.
- . Keep all hardware out of the reach of children

STEP 1 Place chair back (1) on a clean & padded surface then attach seat frame (2) to the chair back using bolt (B), lock washer (D), flat washer (E), and tighten with allen key (F). Important: Do not over-tighten.

STEP 2 Attach back assembly to the seat frame (2) using bolt (A), lock washer (D), flat washer (E), and tighten with allen key (F). Important: Do not over-tighten.

STEP 3 Attach the left front leg (3) and right front leg (4) to the seat frame (2) using nut (C), lock washer (D), flat washer (E), and tighten with spanner wrench (G). Important: Do not over-tighten.

STEP 4 Attach the left front leg (3) and right front leg (4) to chair back side, secure with lock washer (I) and bolt (H). Tighten the bolt (H) with allen key (F). Important: Do not over-tighten.

MADE IN VIETNAM

STEP 5. Attach the stretcher frame (5) to the back and front legs with screw (K) and tighten with screwdriver . Important: Do not over-tighten

STEP 6. To ensure chair is stable, tighten bolts (A,B,H), using the allen key (F), tighten nuts (C) using spanner wrench (G), tighten screw (K) using the screwdriver while applying downward pressure to the seat.

STEP 7. Plug the wooden Plug (L) to the back leg
