Snapshot

Some color variation in photos of our furniture finishes, leathers and fabrics is possible due to lighting and differing resolution quality on computer devices.

With a world-traveled pedigree, the Archivist 2-drawer nightstand embraces both grand opulence and beloved, comfortable and simple forms. Accented by bronze-colored ring pulls and shaped block feet, the nightstand is crafted with Pecky Pecan Veneers with a soft casual pecan-colored finish with a rustic feel. Two drawers with a cord clip for electronics and a touch-dimmer touch. A design archive that captures epic European and American style elements spanning continents and centuries, Archivist exudes a larger-than-life ambience. With a world-traveled pedigree, Archivist embraces both grand opulence and beloved, comfortable and simple forms.
