SAFETY AND CARE INFORMATION

Read all instructions before use and retain this sheet for future reference.

5. Important Safety Warnings

- For indoor use in dry locations only. Do not expose the product, rechargeable bulbs, remote controls or charging connection to rain, dripping water, high humidity or heat.
- This product is decorative lighting. Do not use it as emergency lighting or where failure of the light could create a hazard.
- Keep the product, packaging, batteries and small installation parts away from children. This product is not a toy.
- Install securely using wall fixings appropriate to the wall type. Do not install above beds, cots or locations where a falling product could cause injury.
- Do not install near curtains, fabrics, heaters, cooking appliances, open flames or other sources of heat. Keep ventilation around the light unobstructed.
- Do not modify, disassemble, puncture, crush, short-circuit or expose the rechargeable bulbs or batteries to fire. Stop use immediately if a battery becomes hot, swollen, leaking, damaged or produces an unusual smell.
- Use only a compatible, safety-approved charging source and the charging cable specified for the rechargeable bulbs. Do not charge unattended or on a soft/flammable surface.
- Do not operate with wet hands. Disconnect the bulb from charging before cleaning, installing or removing it.
- Do not use abrasive or corrosive cleaners. Wipe the metal and shade gently with a soft, dry cloth.
- The light source and rechargeable battery are contained in removable bulbs. Replace only with a compatible bulb of the same type and rating.

6. Battery and Remote-Control Safety

Keep batteries away from children. If a remote-control battery is replaceable, insert it with the correct polarity and use only the specified battery type. Do not mix old and new batteries. Remove exhausted batteries promptly. If a battery is swallowed or inserted into any part of the body, seek immediate medical attention.

7. Disposal

Do not dispose of electrical products or batteries with unsorted household waste. Remove batteries where this can be done safely and take the product and batteries to an appropriate local collection or recycling facility in accordance with local requirements.

8. Maintenance and Support

Regularly check that the wall fittings remain secure. Clean only with a soft, dry cloth. Do not use corrosive cleaners or chemical solutions. For questions, missing parts or suspected defects, discontinue use and contact the importer at wayfairuk@cn.ocestore.com.
