

Assembly Instructions DEODAT Dining Table

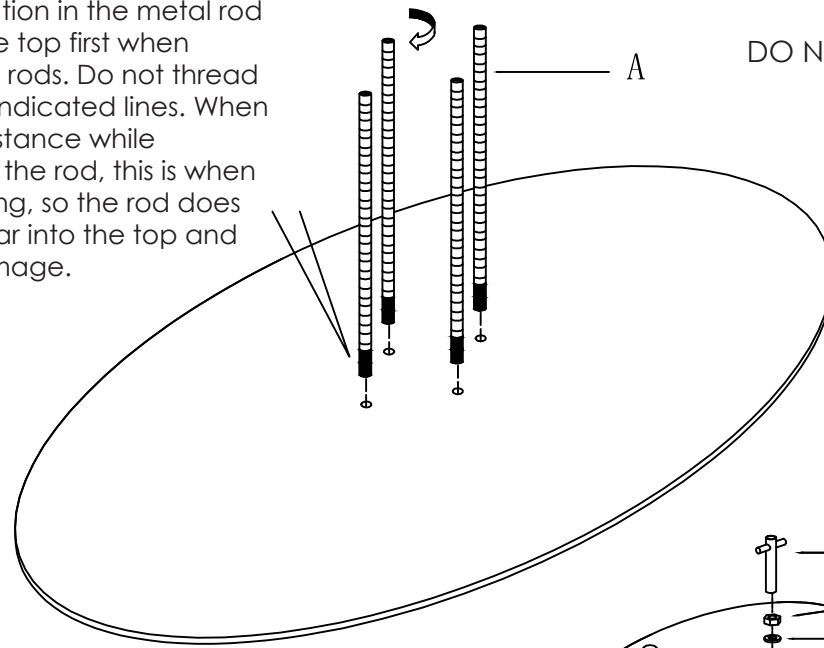

1

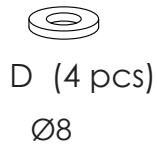

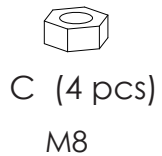

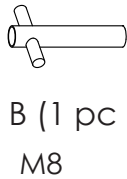

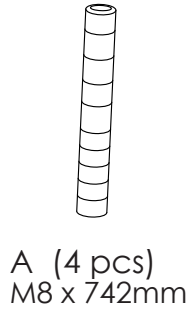

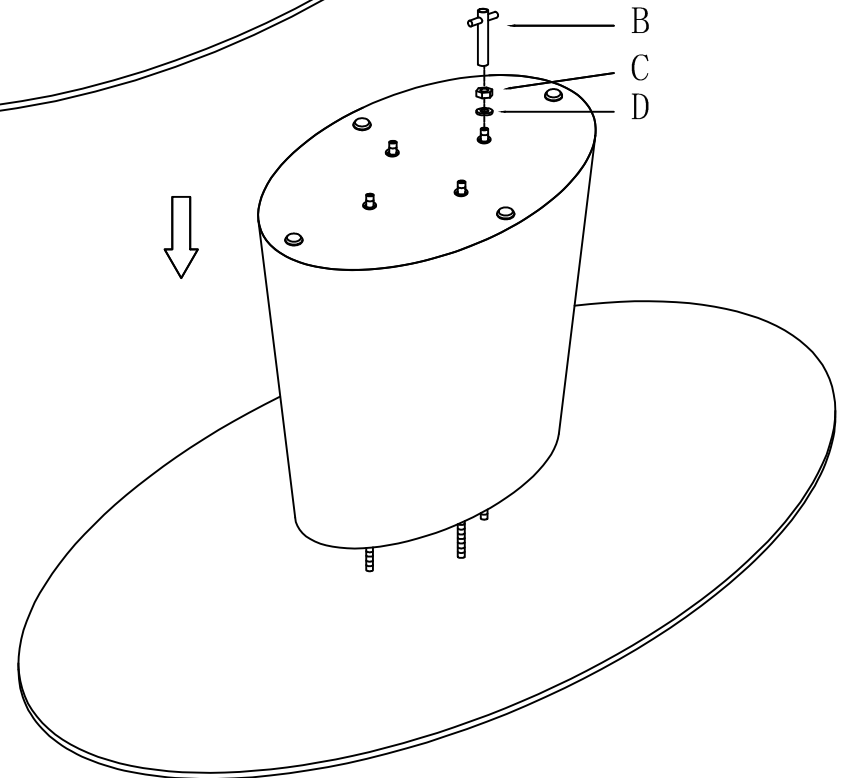

Note: Make sure the painted end with indentation in the metal rod goes into the top first when installing the rods. Do not thread passed the indicated lines. When you feel resistance while threading in the rod, this is when to stop turning, so the rod does not go too far into the top and prevent damage.

PLEASE NOTE: Check that you have received all components and hardware before assembling. If you are missing any parts, contact your retailer.

DO NOT USE POWER TOOLS

2

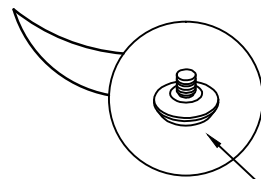

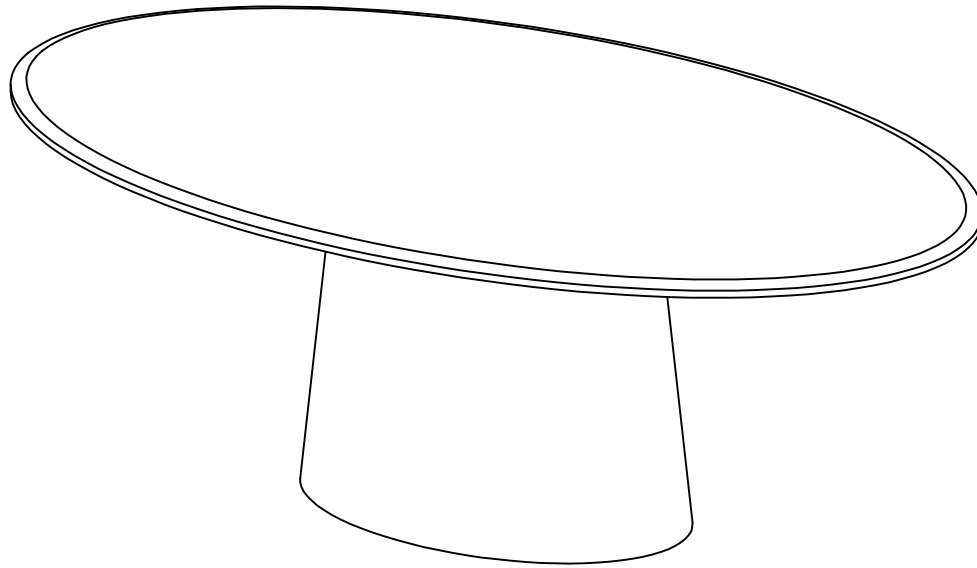

DO NOT USE POWER TOOLS

During assembly, hand tighten screws only. When the screws are in place, tighten completely.

Assembly Instructions

DEODAT Dining Table

PLEASE NOTE: Check that you have received all components and hardware before assembling. If you are missing any parts, contact your retailer.

NOTE: If the table is wobbly, the plastic feet (4 pcs) can be adjusted as needed. Turn right to bring the feet in, or turn left to bring the feet out more.
