

Zero Gravity Relaxer Lounger

Assembly Instructions

Before you start

Warnings

IMPORTANT, RETAIN FOR FUTURE REFERENCE READ CAREFULLY

See enclosed instructions for assembly, safety and care information.

Failure to follow the warnings could result in serious injury and/or damage to heavy parts with care.

This product should only be used on firm, level ground.

Keep small parts out of reach of children.

Do not stand or climb onto this product.

This product is intended for domestic use only.

Ensure the product is always placed on level ground.

Furniture can be dangerous if incorrectly used. No liability will be accepted for damage or injury caused by incorrect use of this product.

Keep hands and fingers away from the folding mechanisms to prevent possible injury. Once adjusted to the desired position ensure both safety locks are locked into place.

Dos

Check all screws and bolts are tightened and inspect regularly.

Make sure the legs remain in contact with the ground.

Always unlock the safety locks before folding the chair.

During bad weather and in winter months the product should be stored in a cool, dry place. Before storage ensure that it is clean and dry.

Frames are manufactured using powder coated steel tubing. When steel is exposed to the air and moisture it will rust. Any scratches on the paintwork should be touched up immediately with metal paint to prevent corrosion.

To clean, wipe down with a sponge and warm soapy water and wipe with a clean, dry cloth.

Don'ts

Never tilt the chair during use.

Do not climb or stand on any part of this product or allow children to play on or around.

This product is intended for a maximum weight of 110kg. Do not exceed this weight!

Please ensure that the product is fully opened and the legs are securely in place before use.

Do not use this product if parts are missing, damaged or worn.

Never use scourers, abrasives or chemical cleaner.

Do not use this product as a ladder as this could lead to the product becoming unbalanced and overturning.

Never drag furniture when moving it, always lift it.

Number of people required for assembly

One person

Time to assemble

5 minutes

Note: This is a pre-assembled product, no need of any assembly. But it requires the user to unfold the chair before use.
