

20V MAX* Lithium Pivot Vac™

Life’s For Living, Not Cleaning

You have more to do than clean. That’s why we invented our cordless Lithium-Ion Vacuums. Packed with super-strong suction, a compact design, and fade-free lithium-ion battery power, they help you go where other vacuums can’t. So go ahead. Live a little. These hand vacuums will get down and dirty so you don’t have to.

Features + Benefits

- Innovative, patented nozzle pivots to clean up high, down low and even in tight spaces.
- Its high performance motor provides superior suction capability when compared to other BLACK+DECKER cordless hand vacs.
- The cyclonic action spins dust and debris away from the filter keeping suction power strong.
- 3-stage filtration system with a pleated filter design offers the highest level of filtration to help prevent clogs and improve air exhaust.
- Wide mouth design scoops up large debris.
- Simply flip up the brush to clean upholstery or extend the crevice to access tight spaces.
- Convenient charging base allows for wall and table charging locations
- The translucent, bagless dirt bowl has 42 percent more capacity than the original Pivot Vac and offers a side door function for emptying dirt.
- For a more thorough clean, simply remove the entire bowl from the unit and wash it in your sink.
- Filter flicker loosens embedded debris from filter to improve suction power.
- Lithium Technology for strong suction and fade free power
