**instrucciones de ensamblaje**

---

**English**

**The manufacturer** makes every effort to ensure the highest level of quality control at every point of production. Rarely a negligible defect may occur or a part maybe missing from the package. If a defect does appear after complete assembly or a part is missing, please call our toll free Customer SERVICE LINE. You don't need to return the unit to the store.

**Français**

En vue de vous assurer des pièces de première qualité, **le fabricant** garantit un contrôle rigoureux de la qualité à chaque étape de production. Si toutefois une défectuosité a échappé à notre attention et que cette imperfection demeure apparente après l'assemblage ou qu'une pièce se trouve manquante, téléphonez-nous au numéro sans frais.

**Español**

Teniendo por objetivo asegurarle al cliente un producto de primera calidad, **el fabricante** lleva acabo un riguroso control de calidad en cada etapa de la producción. Sin embargo, si algún defecto hubiese escapado de nuestra atención y afecta la apariencia de su mueble, o si le faltase alguna pieza, sirvase comunicarse con nosotros sin gasto alguno. Estimado cliente, ud no necesita devolver este producto al comerciante.

#### HOW TO CLEAN :

Dampen a soft cloth with a mild solution of dishwashing detergent, squeeze excess water. Clean unit and wipe it dry.

#### ENTRETIEN :

Trempez un chiffon doux dans une faible solution de détergent pour vaisselle et d'eau. Bien essorer. Nettoyez le meuble et essuyer le surplus d'eau.

#### PARA LIMPIAR :

Empape un paño suave con una solución de detergente suave y agua. Limpie la unidad y deje que se airee hasta que esté seca.
