

ASSEMBLY INSTRUCTION

EXTENSION TABLE

1

Assembly requires two adults.

We suggest to place the table upside down on a blanket to protect it from scratching.

Unlock locking clips

2

Attach the legs using bolt (A) and washer (B)
Table legs are self adjusting moving the leg up or down the elongated bolt hole in the table top corner block.
It is best to completely tighten each bolt when the table is assembled in the upright position.

Tighten all bolts by using ring spanner (C), do not use power tool
