HOOK

Please make sure all hardware & packing material fitting the list. Especially some small accessories may be missing during transportation. Please contact us if you have any question.

step 1

After taking out of the cushions (A&BR&BL) from the air compression bag, please allow it to recover for a period of time. It might take up to 48 hours to be fully recovered, you may gently slap onto the cushion to speed up the process.

step 2

Remove the plastic caps from the bolt parts of the wooden legs (J), then twist the wooden legs (J) clockwise into each corner of the seat frame (G) as shown, make sure they are fully tightened.

step 3

Place the sofa frame on its side on a clean surface, and install the backrest frames (F) on two sides as shown. Align the bolt holes on both backrest frames (F) and seat frame (G), first add one flat washer on each bolt, then use the allen wrench (K) to tighten all bolts.

First add one flat washer on each bolt as shown, use the allen wrench (K) provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 4

Install the armrest (D) to the previous part as shown, align the bolt holes on both seat frame (G) and armrest frame (D), first add one flat washer on each bolt, then use the allen wrench (K) to fully tighten the bolts.

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 5

Install the armrest (D) to the previous part as shown, align the bolt holes on both seat frame (G) and armrest frame (D), place one flat washer on each bolt first, then use the allen wrench (K) to fully tighten the

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 6

Insert the bolt part of the headrest (I) into the backrest (F) as shown, make sure they are aligned. There are three levels of adjustment for the headrest.

step 7

There is a metal buckle inside the carton as a free part.
If you only purchased single part of the sofa, this buckle will not be useful.

If you want to be combined with other sofa components (ottoman, chair, chaise etc), this buckle can be used.
Just use this buckle to fix two parts together from the bottom to prevent displacement while using the products.

step 8

Tear off the Velcro tape covers on the bottom of the cushions (A), and place the cushions (A) onto the sofa as shown.

step 9

Put armrest cushions (C) on it as picture shows.

step 10

Put back cushions (B) on it as picture shows.

step 1 1

Assemble complete
