

WILDWOOD CHELSEA HOUSE

295842 • Decatur Framed Intaglios

18h x 12w x 1.5d

Wood

Black/Matte White

Two plaster intaglios are set inside a modern onyx-dyed wood frame to create a wall hanging that references the rich history of cameo art. With bull and oak tree imagery native to Texas Ranch-life, the Decatur Framed Intaglios combine raw nature and refined living. Style alone or alongside additional artwork for a gallery-like display that is certain to start conversations.
