

Important - Please read these instructions completely before beginning assembly

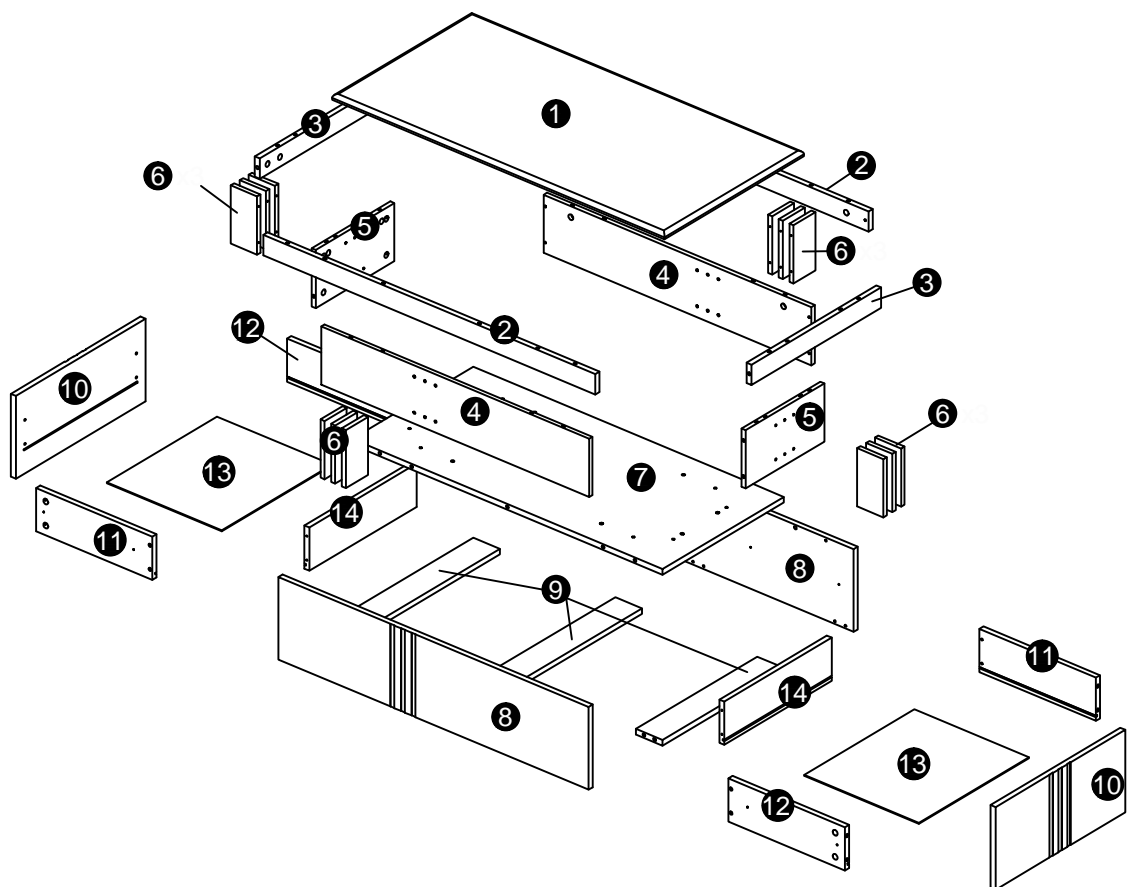

- If you have any questions about this product, please contact your supplier in time.
- Check whether all components and tools listed on pages 3 are present.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts can cause suffocation if swallowed. Parts of the assembly are easier with two people.
- Make sure you have enough space to arrange the pieces before you begin.
- Do not stand on the product or put any weight on it as this may cause damage.
- Mount the item as close as possible to its final position (in the same room).
- Mount the device on a soft, flat surface to avoid damaging the device or your floor (use the opened box of the device).

Care and maintenance

- Clean only with a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
If you have any questions about this product, please contact your supplier in time.
- Check from time to time whether the screws on the product are loose.

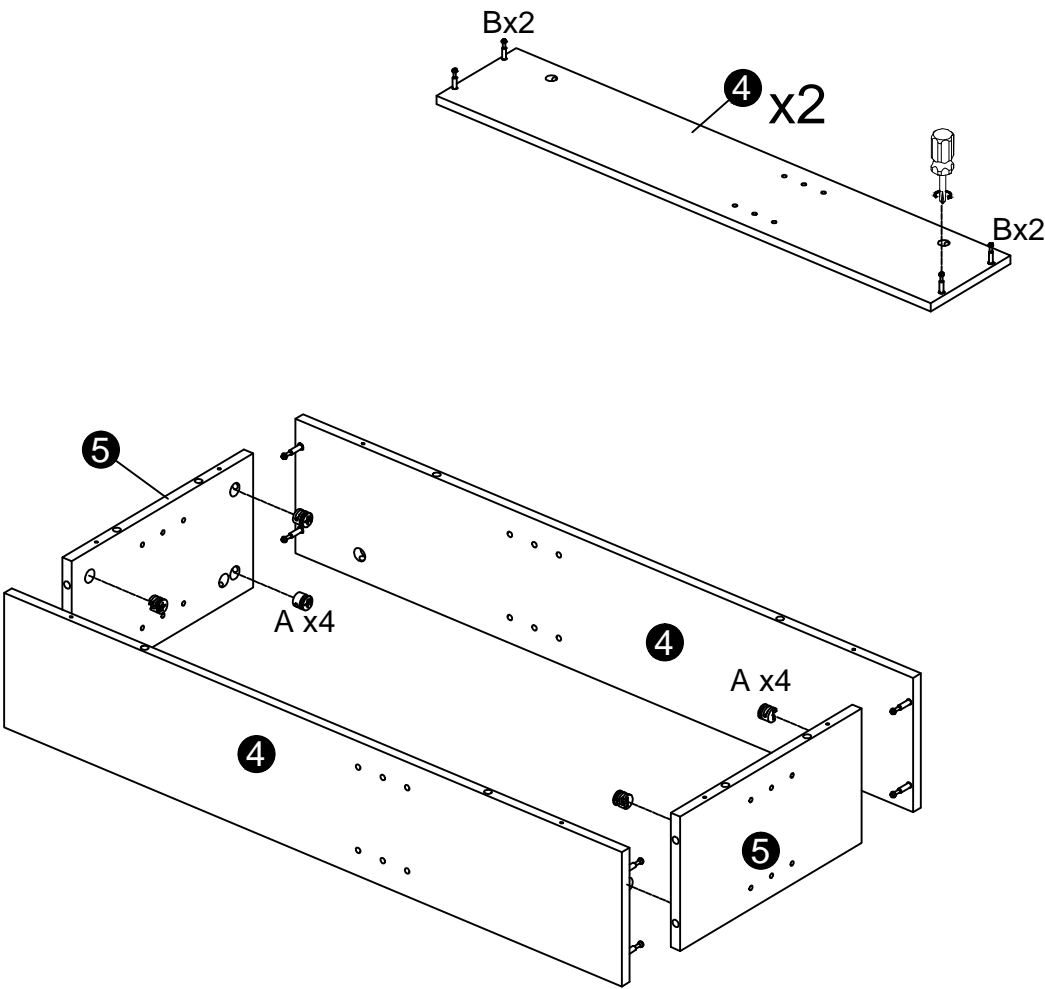

Note

- If necessary, the next page can be cut out and used as a reference throughout assembly.
- Save this page containing these instructions for future reference.
