

A line drawing of a chandelier. It features a central vertical stem with a chain and hook at the top. The stem is surrounded by several curved, ribbed elements that form a bell-shaped cage. At the bottom of the stem is a semi-circular cap. Five glass shades are attached to the stem: two larger shades on the left and right sides, and three smaller shades in the center. A vertical dimension line on the left indicates a height of 22.5 inches, and a horizontal dimension line at the bottom indicates a width of 27.25 inches.
