1

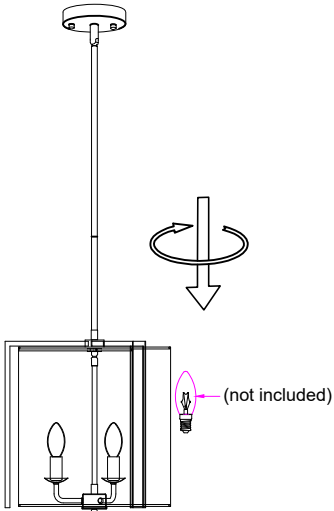

2

1. Connect the power wire of lamp body to the reserved Power cable, pay attention to the positive and negative poles
2. After connecting the wires properly, use an M4 nut (D) to fix the lamp body to the ceiling.

3

Step 3:
Finally, install the E12 bulb(not included). The installation is complete.

Step 1:

1. Secure the hanging plate (A) to the ceiling using the self-tapping screws (B).

2. Connect the E12 lamp holder assembly (I) to the Suspension rod(H) , then attach it to the lampshade (G) and lamp frame (F). Next, connect the Downrods(E) with the lamp frame (F), and finally connect the ceiling plate (C).
