

1. First take out all the accessories and put on gloves.
2. Install the hanging plate on the ceiling, and then reserve the main line of the lamp body and the ceiling. Connect the wires, install the ceiling tray and fix it with flower branches.
3. Adjust the height of the lamp body to an appropriate height.
4. Install the light source on the lamp body.
5. Finally, install the glass on the lamp body, and fix it with spherical flower branches and dental rods.

Attention! When installing the glass, twist the flower ball to the right position, no it can be twisted hard, and the glass is easy to break.

instruction for installation

A		Hanging plate screw	4
B		Hanging board	1
C		locking wire	1
D		The demand quantity of pulling head is 4, and the spare parts quantity is 6. (2 spare)	
E		steel wire	4
F		∅120Ceiling disk	1
