

Technical drawing of a 16-inch wide arched display cabinet. The overall height is 26 inches, and the overall width is 16 inches. The cabinet features a double-lined arched top and a base. The interior is divided into 10 horizontal shelves. Dimensions are provided in inches: 16" (width), 26" (height), 18" (height to the top of the shelves), 12" (width of the main body), 2" (width of the base), 2" (width of the side panels), and R8" (radius of the arch). The drawing is a black and white line art with dashed lines indicating measurements.

A diagram of a vertical rectangular post. The width is labeled as $1\frac{1}{2}$ " at the top. The height is labeled as 26' on the right side. The base width is labeled as 2" at the bottom left. The post is shaded gray and has a small rectangular notch at the bottom right corner.
