

(Weight Limit 20KGS)

This toy is unsuitable for children under 2 years.

Ride On Car

Owner's Manual with Assembly Instructions

WARNING: ASSEMBLY SHOULD BE DONE BY ADULTS

•To reduce the risk of injury, adult supervision is required. Never use it on roadways, near motor vehicles, steep inclines, steps, swimming pools, or other bodies of water. Always wear shoes and helmets.

•**Limited to one person.**

•**TO PREVENT FIRE AND ELECTRIC SHOCK:**

•Only use batteries and chargers provided or specified by the manufacturer. Using the wrong type of batteries or chargers could cause a fire or explosion.

•**DO NOT** use the batteries or chargers on any other product. Or overheating, fire or explosion could occur.

•**NEVER** modify the circuit system. Alterations could cause a shock, fire or explosion.

•**DO NOT** pour any type of liquid on the batteries or other components.

Explosive gases are produced during charging.

•**DO NOT** charge near heat or flammable materials. Charge in a well-ventilated area ONLY. Charge in a dry area ONLY.

•**DO NOT** open the batteries. Batteries contain lead and other toxic and corrosive materials

•**DO NOT** open the chargers. Exposed wiring and circuitry may cause electric shock

•**ONLY ADULTS** can handle or charge the batteries. NEVER allow child to handle or charge the batteries. Batteries are heavy and contain lead acid (electrolyte)

•**DO NOT** drop the batteries. Otherwise permanent damage or other serious injury to the batteries would occur.

•Before charging, check the wear and damage of the battery, charger and the connectors.

•**DO NOT** charge the battery if any damage to parts has occurred. Please contact the dealer or manufacture to replace the parts ONLY.

•**DO NOT** allow the battery to drain completely; charge the battery after each use or at least once a month if not used regularly.

•**DO NOT** charge battery upside down.

•Always make sure that the battery is fixed with the bracket. Otherwise, battery can fall out and even injure a child if the vehicle tips over. Risk of fire. Do not bypass.

•**If a battery leaks**, avoid it from contacting with the leaking acid and put the damaged battery into a plastic bag. Refer to information in "Disposal of Battery" for proper disposal.

•**If acid comes in contact with skin or eyes**, **rinse** with cool water for at least 15 minutes and call for a doctor.

•**If mistakenly take a large number of acid**, **take a large amount of** water, milk of magnesia or egg-white immediately. Call a physician.

MADE IN CHINA

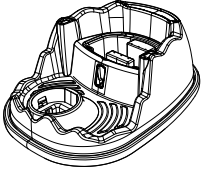

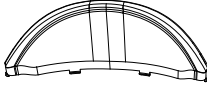

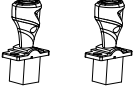

Specification instruction

Name	Specification
Battery	12V4.5AH*1
Motor	12V380*2
Applicable age	2-5 years old
Maximum load	20KG
Charge time	Charge 8-12 hours
Charger	12V500mA

※Above parameters are selected for customers, the specific parameters is based on the actual parameter

Parts List

No.	Name of accessory	Picture	Qty
1	Bumper Car		1
2	Giraffe head		1
3	Seat backrest		1
4	Control levers(L/R) (On the bumper car)		1
5	Charger		1
6	Remote controller		1
7	4*12mm screw		4

Owner's Manual with Assembly Instructions

WARNING: To reduce the risk of injury, adult supervision is required. Never use in roadways, near motor vehicles, on or near steep inclines or steps, swimming pools or other bodies of water; always wear shoes, and never allow more than 1 rider(s).

WARNING: ASSEMBLY SHOULD BE DONE BY ADULTS
