

Assembly Instructions

Dutch Windmill

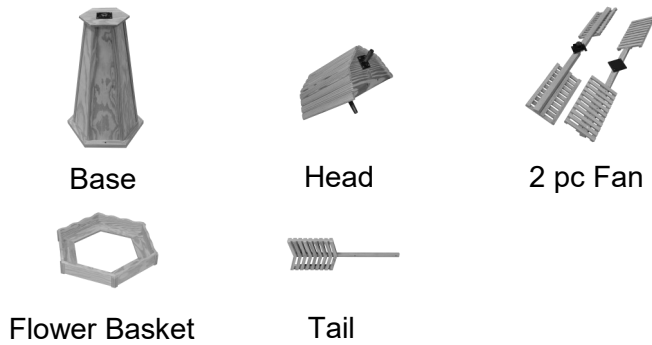

Thank you for choosing us.

We hope that this piece brings you many years of enjoyment!

For help with assembling your furniture,
or if you have missing hardware, please email or call us

PARTS (included)

HARDWARE (included)

Ground Stakes (2)
Wood Dowels (2)
1½" Screws (4)
Cotter Pin (1)
Bit (1)

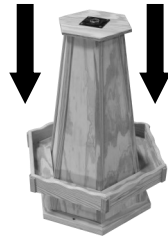

TOOLS NEEDED

Hammer
Screwdriver or Driver Drill

STEP 1

Set base upright and slide flower basket over it.

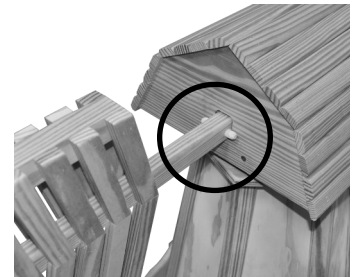

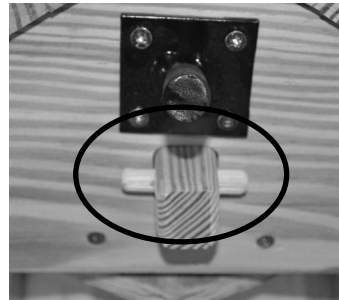

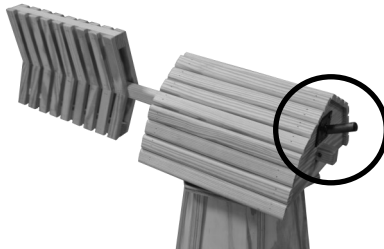

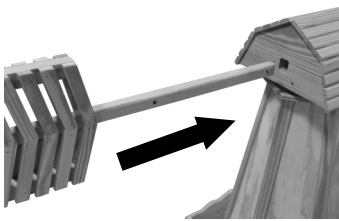

STEP 2

Slide head pin into bearing on top of base.

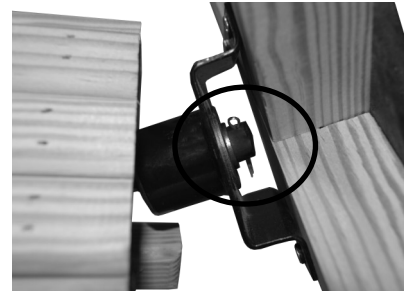

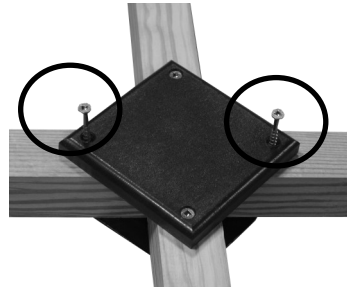

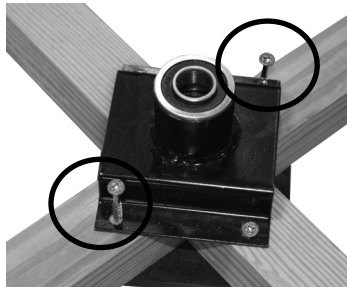

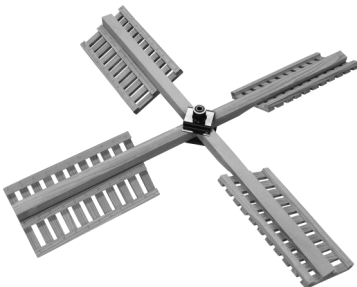

STEP 3

Slide tail piece into back of head (side without fan bracket) until it slides out the front and insert dowels, 1 in front & 1 in back.

STEP 4

Assemble fan by crisscrossing the 2 pieces and putting 2 screws thru bearing into opposite piece and 2 screws thru poly cap into opposite piece. Slide onto the fan bracket on head and insert cotter pin.

STEP 5

Put at desired location and pound in ground stakes thru holes in bottom of base to anchor it. (May have to hold up flower basket for easier access to stake.)
