

# Assembly & Installation Instructions

## Assembly Instructions:

1. Make the plastic expansion into the ceiling and screw the screw hook.
2. Fix the plastic hook with the wire.
3. Put the shade on and screw the lock ring.
4. Screw on the bulb (not included)

## NOTES:

1. Please read carefully and save this instruction, as you may need them at a later date.
2. Consult a qualified electrician to ensure correct Branch circuit conductor.
3. Turn off the main power at the circuit breaker before installing the fixture.
4. All electric connections must be in accordance with local and National Electrical Code standards.
5. Remove the fixture and mounting package from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions.

## CAUTION:

1. Do not remove the lamp with power on.
2. Stay away from fire, direct sunshine, high temperature and wetness.
3. Never put it in the washing room.
4. Do not touch the shade when with the power on for too long to avoid burning your skin.
5. Use Max. 60W for this lamp.
