

# INSTALLATION INSTRUCTIONS

## STEP BY STEP INSTRUCTIONS

### IMPORTANT

Before installing your Lights fixture, please make sure that you carefully read through these instruction sheets. Consider having your fixture installed by a qualified licensed electrician.

### NOTE:

The important safeguards and instructions that appear in this manual are not mean to cover all possible condition situations that may occur. It must be understood that common sense, caution and care are factors that can't be built into any product. This approach must be used by the person(s) caring for and operating the fixture.
