

ASSEMBLY INSTRUCTION

PACKAGE LIST

(A) *1
Futon Body

(B) *2
Front Legs

(C) *1
Middle Legs

(D) *2
Back Legs

(E) *8
Bolt
M8*25MM

(F) *1
Wrench
5MM

Step 1:

Turn the futon body **(A)** upside down, place the 2 holes with white cardboard on each cushion facing the center of the futon close together. Take out the legs and hardware in the fabric zipper pocket on the underside of the sofa bed.

Step 2:

1. Attach the Middle Legs **(C)***1 and Back Legs **(D)***2 to the Futon Body **(A)** by hand.
2. Attach the Front Legs **(B)***2 to the Futon Body **(A)** with Bolts **(E)***8, using the Wrench **(F)**.

Step 3:

Flip the Futon over so it is supported on its legs, the assembly is complete.

NOTE: Leaving the sofa for 24 hours after unpacking to help the cushions to rebound to its original shape.
