

【 3 in 1 Ceiling Fan with Light 】 : Modern ceiling fan / led chandelier / Bluetooth speaker with 3 major function combinations. The fan blade is retractable, which can promote the air circulation. Modern ceiling fan / led chandelier / speaker can work alone.

【 Music Speakers and Color Change 】 : The built-in speaker of the music ceiling fan provides 3D stereo surround music with amazing sound quality.

【 Remote Control 】 : The fan rotation speed and light of the fan chandelier can be controlled by the remote control. The fan has 3 speed adjustments: high / medium / low, and supports timing (1/2/4/8 hours). 3 dimming methods: white light / warm white light / yellow light. The fan or lighting can be turned on separately.

【 Silent Energy Saving 】 : The uniquely designed blade provides greater wind and less noise. With energy-saving purity copper silent motor, ceiling fan light provides a quiet sleeping environment for you and your family.
