Overview

A simple, stylish silhouette redefines the classic sleeper sectional and the single-arm style complements coordinating sectional pieces. The two-piece sectional includes a chaise, as well as knife-edge pillows and soft upholstery. A discreetly concealed sleeper mechanism allows for one-step pullout with ultimate ease.

Unfolded, sofa cushions form a comfortable bed, ready to welcome overnight guests or make movie nights a little comfier. Best yet, no extra mattress necessary.

Crypton® performance fabric is specially engineered for protection against stains, moisture and odor. Due to the customized nature of made-to-order pieces, no cancellations or returns are accepted.
