

Parts Included:

- 1 Top Assembly.
- 2 Sets of Legs.
- 2 Side stretchers.
- Minimum (16) Bolt 3/16" X 1/2"

Tools Required:

- Philips Screwdriver.
- (NOT INCLUDED)

It is strongly recommended that this table be assembled by two persons to avoid marking or scratching the finish. It is easier to assemble this product upside down.

1. Locate and unpack all of the parts required and place them on a soft surface (i.e. carpet).
 2. Place the Top Assembly upside down on a soft surface.
 3. Place and align the Legs with the stretchers to insert the bolts # 3/16" X 3/8" and tighten.
 4. Place and align the the frame against the top to insert the bolts # 3/16" X 3/8" and tighten.
- Make sure that the corresponding numbers of the Top Assembly match those of the Legs.

It is recommended that you periodically check and tighten the screws during the lifetime of the product. Clean with a damp cloth and buff dry with a soft cloth. Use of commercial polishes or waxes is not recommended. Use coasters under beverages and articles that may scratch. Do not place hot items directly on the surface.
