Padding: For quality tailoring and durability, the outsides are padded with strong bonded fibers.

Material: Leather

Trim: Standard Nailhead Trim #9 in French Natural Finish. Other decorative nailhead finishes available at no additional cost.

Frame Construction: The frame is engineered from the finest multi-ply, 7/8 inch laminated hardwood components that are precision machined for an exact fit. Mortise and Tenon joints are reinforced with cross-banding to create frames with superior dimensional stability.

Seat Back: Semi-Attached. Filled with 100% virgin polyester fibers enclosed in a special ticking designed to provide pillow-soft comfort.

Seat: Premier Down-These cushions are constructed from a two-tier foam foundation. The bottom layer is firm for lasting support and the top layer is soft for sink-in comfort. The cushions are then wrapped in a down proof ticking filled with a generous blend of down, feathers and fibers. This cushion is designed to relax and puddle for a luxurious, lived-in look that complements our more casually styled offerings.

Seating Construction: Motion styles utilize a rigid bar spring unit that evenly distributes the weight load offering unparalleled seating comfort for our reclining chairs.
