

bathroom rack

General Guidelines

- Please read the following instruction carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us when further information and help are needed.

Notes

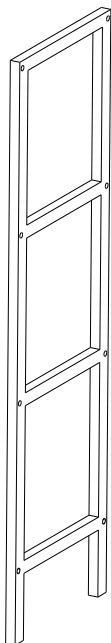

- Before assembly, please make sure all accessories are intact. Please handle it gently to avoid bumps, damage or paint chipping when unpacking the product.
- Bamboo products may have splinters or cracks due to its fiber structure. Please check the product carefully before assembly.
- Check the tightness of screws and parts regularly.
- Do not place it in damp environments. Avoid high humidity.
- Please do not wash the product. Avoid long period of sun exposure. If stain is found, wipe the product with a wet cloth, and dry it in a ventilated place.
- We recommend wearing gloves to prevent splinters when assembling the product.

Warnings

- Keep parts and packaging materials away from children and pets as there could be injury or potential choking hazard.
- Keep all packaging materials (film, plastic bag, foam, etc.) away from babies and children as they may cause suffocation or other potential risks.
- Some products are equipped with anti-dumping strap, please install it for safety. No children are allowed to climb, hang or play around the product in case of any damage or injury caused by the falling of the product.
