

Tawney Outdoor Wall Clock 625668

Accent your patio or deck with the Tawney outdoor wall clock from Howard Miller. This elegant timepiece not only tells time but displays the temperature and humidity.

Weather-Resistant: This analog wall clock is equipped with rubber seals and a glass cover to keep water from getting in. Although it's designed for outdoor use, you can also use it indoors in the kitchen, bathroom, or any other area of your home.

Classic Charcoal Finish: The case has a medium-toned charcoal finish that coordinates with any patio or home decor. The white dial coordinates with the case and allows the raised, black Arabic numerals to stand out. The numerals match the black spade hour and minute hands for a refined look.

Stylish and Functional Details: In addition to the time, this outdoor wall clock displays the temperature and humidity. The graceful medium charcoal semi-circles and Arabic numerals are easy to read, and they impart even more visual interest to the dial.

Quartz Movement: Quartz Movement: Quartz, battery-operated movement requires one AA battery, which is not included.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
