

## Important

1. We recommend two people to install it, which will be helpful for easier and faster installation.

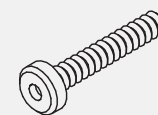

2. To complete the installation smoothly, we suggest to keep a little loose for all the screws during installation, after finished the installation, firmly tighten all the screws.

## Thank you for choosing our product.

Please kindly share your reviews if you are satisfied with it.  
If you have any problem about installation or product itself, please contact us.  
We will try our best to solve the problems for you.
