

Assembly Instructions

Caution: You must read this before you proceed.

Table

Parts List

Label	Picture	Description	QTY
A		Table Top	1
B		Leg Panel	2
C		Leg Support Panel	2

Hardware

Label	Picture	Description	QTY
D		Allen Key	1
E		Bolt M6*15mm	13
F		Washer	13

Assembly Preparation

Before Beginning Assembly: Unpack all the parts for a clear overview.

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

Assembly Steps

Step 1

Open the carton and place all the parts on a clean, non-marring surface.

Turn table top upside down, then attach Leg Panel (B) to the Table Top(A) using Bolt(E) and Washer(F) with Allen Key(D) as shown in the picture above.

Repeat this process with the other Leg Panel (B)

Only Loosely tighten the Bolts.

Step 2

Attach Leg Support Panel(C) between Leg Panels(B) using Bolt(E) and Washer(F) with Allen Key(D) as shown in the picture above.

Repeat the same process to affix the another Leg Support Panel(C)

Only Loosely tighten the Bolts.

Step 3

Place the table on a **LEVEL SURFACE** to check for wobbles.

If it wobbles, with 2 to 3 adult partners, lift the table to some 20cm to 30cm height from the ground. Keep your feet and toes well away from the drop zone.

Drop the table freely and vertically with the four legs, hitting the ground, all at the same time.

This Drop Test will help to ensure that all the bolts and gaps to all reach full alignment status.

Test again for evenness on a **LEVEL SURFACE**.

If no wobbles found, with assistance from 2 to 3 adult partners, slowly and steadily, turn the table upside down.

Then, proceed to tighten all bolts in a sequential manner.

CAUTION : When tightening these bolts, tighten sequentially.

DO NOT tighten any screw fully and then towards the next one.

This would cause the frame to warp.

If there is still wobbles, loosen the bolts and execute this same drop tests.

WARNING!! IF table IS NOT STABLE , IT COULD LEAD TO DAMAGING THE PRODUCT.

Step 4

Your Table is ready for use.

Care & Maintenance

- Do not put hot items directly on furniture surface.

- Do not clean furniture with harsh cleansers or polish.

- To obtain the longest lifespan of your outdoor products, minimizing exposure to direct sunlight is recommended.

- Children should not climb or jump on the furniture.

- Do not write on furniture without a padded barrier to protect the surface.

- To obtain the longest lifespan of your outdoor products, avoid extended and lengthy exposure to rain, snow, and direct sunshine. Whenever possible cover the product and /or place under patio or awnings.

- Not for commercial use. For residential use only .

- Stains may be removed with mild soap solution and damp cloth.

- Keep away from sources of ignition.

- Dust and pick-up spills using a clean, non-colored, lint-free cloth .
