Brake off

Brake on

Important Note

- Place all laminated parts on a clean and smooth surface such as a rug or carpet to avoid the parts from being scratched.
- Check to be sure that you have all parts and hardware.
- Remove all wrapping materials, including staples and packing straps before you start to assemble.
- Don't tighten all screws/bolts until all the pieces are completely assembled.
- Keep all hardware parts out children's reach.
- It is recommended for 2 people to complete this assembly.
