COMPLETED

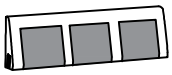

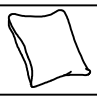

Care Instruction for Chenille Furniture.
In order to maintain the original appearance of your Chenille furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/ damage Chenille.
- Do not place your Chenille furniture too close to windows,radiators, or vents.
- Vacuum or wipe with a soft brush to remove dust.
- Hardware may loosen over time. Periodically check to make sure all connections are tight, Re-tighten if necessary.

For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.

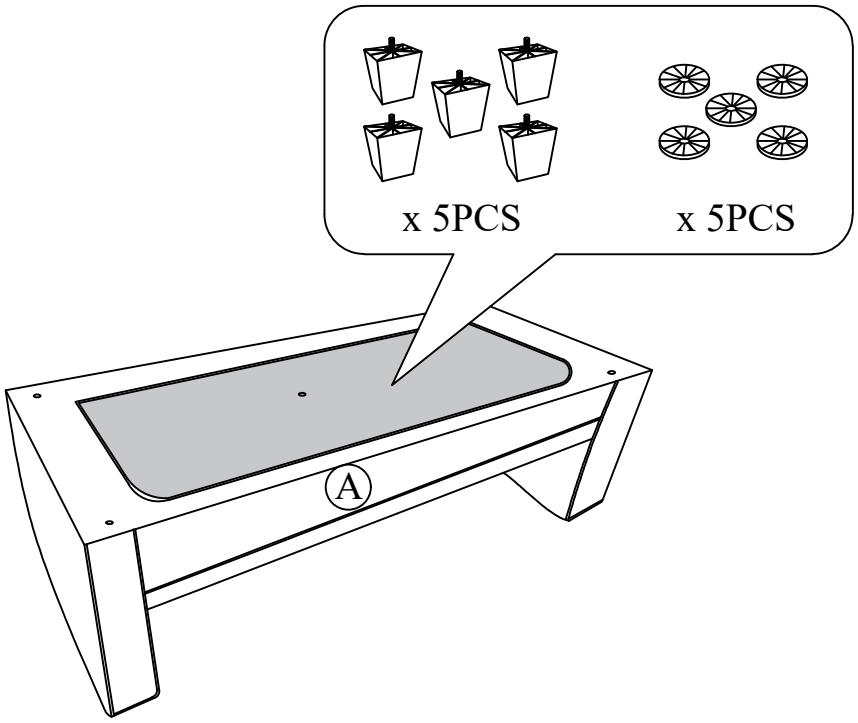

ASSEMBLY INSTRUCTION
